Billie Faiers' Essex Xmas!

It's *TOWIE'S* lovely Billie in, and out, of a Santa hat!

➔ **THE *TOWIE*** seasonal special has become as much a part of Christmas as furious rows with your partner over where you spend it, fights over drunken snogging at Christmas parties and storming out over a snide comment from a rellie about your recent weight gain. Now you can flick on your TV and catch beautiful, fake-tanned fitties having furious rows with their partners over where they spend it, fights over drunken snogging at Christmas parties and, well, you get the picture. So anyway, look! Billie in a Santa hat and LBD – then out of it!

CHRISTMAS TRADITION!

The *TOWIE* Christmas special is repeated on ITV2 on 21, 24 and 27 December.

"Those bloody elves stole my watch again!"

ESSEXY SANTA!

"Be honest, it's better without the hat, right?"

“There will be some kissing under the mistletoe!”

Hello Billie! The *TOWIE* Christmas special is on again – does this mean you have to sing and dance?
No, thank God! It's not going to be like *TOWIE* last year! It will feature everyone just having loads of fun, a few surprises and some kissing under the mistletoe!

What kind of Christmas are you going to have?
I'm cooking for 16 people! On Christmas morning we'll get up, have a Christmas bagel, open all the presents then hit the pub in the early afternoon.

Are you really going to cook everything?
Yes! My mum is helping. All the women in the Faiers family can cook – I have to keep up the reputation and this is my first test. There'll be a cheese board and loads of desserts – Christmas pudding, even though I don't really like it, and something seriously chocolatey because Sam loves chocolate.

Are Christmas jumpers a good or bad look on blokes?
As long as it isn't too awful, I think go for it. They can look really cute and sexy.

What looks good on a bloke at the office party?
Right, this is what you need: a nice shirt with a fitted jumper and good-cut jeans. Or, if you're struggling, a decent suit with a skinny tie. Go smart – it's once a year, isn't it! Shoes are essential – either smart suede boots with jeans or good leather brogues with a suit – nothing pointy!

Good advice! Finally, what tips can you give chaps buying undies for their missus?
Avoid satin and frills. Go simple, it always looks more classy. I'd go for a really nice black or red set. I actually quite like Ann Summers – I wear quite a lot of that sort of stuff on my *Nuts* shoots!

JACK WHITEHALL

KEITH LEMON
"To get an 85in 3D TV from Selfridges. It's the best f**king telly I've seen in my whole life. But do you know how much it is? Thirty five grand! Who walks into Selfridges and buys that?"

REECE SHEARSMITH
"I don't like New Year's resolutions. I like Christmas but not New Year because you don't know what you're celebrating. You might be celebrating the year you're going to die."

MATT EDMONDSON

TOM ROSENTHAL

CHARLIE HIGSON
"I don't really make New Year's resolutions, other than: 'Never make a New Year's resolution!'"

'TAKE MORE SELFIES!'

CHANELLE HAYES
"I'm clearly not taking enough selfies, so my 2014 resolution is to take at least one sexy iPhone snap a week! I thought I'd do one a day but I don't want you to get sick of me! Plus, I'm going to learn how to use Instagram properly."

Cat fight!

Two tigers have a right old ding-dong!

WE'RE USED to seeing tigers going postal on their prey. Cat's gotta eat, after all. But two big cats going at it hammer and tongs, smashing lumps out of each other, is a rare and powerful sight.

These males had a disagreement in the Londolozi private game reserve in Pretoria, South Africa*, over territory and a nice lady tiger, and it all got a little bit heated.

Conclusion: tigers – they're just like us!

(*Yes, we know tigers don't live in South Africa! This is a private reserve.)

WORDS: RORY BUCKERIDGE PHOTOS: MARION VOLBORN/CATERS NEWS

"I can't believe that bitch is wearing the same outfit as me"

"Have I got anything between my teeth?"

"...tickly under there!"

"Well if you hadn't scratched my *CoD* disc, this would never have happened!"

Bengal tiger facts!

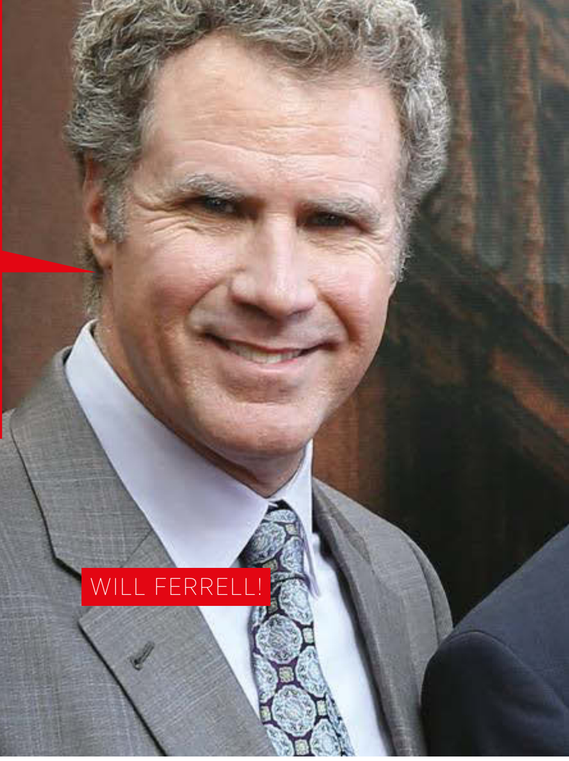
- Bengal tigers grow to around 3.1m, including the tail, and weigh around 220kg, although one was shot in 1967 that weighed 389kg.
- **A tiger's hearing is five times better than a human's and its night vision six times better.**
- Domestic cats purr when breathing in and out. Tigers only purr while breathing out.
- **Tigers are voracious eaters. They can kill the equivalent of 30 buffaloes a year, and eat up to 27kg of meat in one night.**

EXCLUSIVE!

Meet the Anchormen!

It's finally here! *Nuts* grills the stars of the much-anticipated silly news sequel...

The US Olympic trampoline team were never off duty



WILL FERRELL!

One Direction: nine years on

WILL FERRELL

Ron Burgundy

Hi Will! After nine years, what made you decide to make a new *Anchorman*?
Well, the fanbase for the movie has grown. We got emailed a photo of a troop transport in the middle of Baghdad with a stencil of Ron Burgundy on it and the words, "Stay classy, Baghdad!" *Anchorman* is everywhere, so it made us think it would be fun to revisit those characters.

Can you bring us up to date with what the characters have been doing?
Champ Kind is running a Whammy Chicken fast food joint. It turns out he's not actually serving chicken! Brian Fantana is the world's foremost kitten photographer – he's built an empire out of that. Then we attend Brick Tamland's funeral, but of course, he's not dead. So Ron takes the team back to New York City to begin the launch of [24-hour news channel] GNN.

Was it a fun reunion?
It's been fun as it's not like we've gotten to see each other that much over the years. We all have the same comedy mindset. We all kept laughing on set and thinking, "Can you believe this is our job?"

Were there any ideas too silly to be used in the sequel?
We thought about having them on the moon as war correspondents, possibly inciting some international incident. But the one we kept coming back to was the birth of 24-hour news.

What, in your words, makes Ron Burgundy such an enduringly cool character?
His look's timeless, despite being very dated. He knows how to carry himself even though 90 per cent of the time, what comes out of his mouth is completely wrong.

DAVID KOECHNER

Champ Kind

Hi David! You've said that you shot enough for two movies and that the cylinders were poppin' for the first film. How did it go this time?
The same. We were pushing to have the film released as a double bill like Quentin Tarantino's *Kill Bill*. Will reckons there are at least 250 additional jokes for an alternative cut.

Wow! So have you got a favourite scene we can look forward to on the DVD?
There's a huge musical number and inside that number it stops, then there's another musical number before we go back to the first one. It's glorious! But apparently, it didn't fit with the pace of the picture.

There's another news anchor battle in this one. What can you tell us about it?
That took a week to film. It's a bit like the face-off in the first film but this time, besides Ron's crew, there are eight more teams lead by Vince Vaughn, Liam Neeson, John C Reilly, Jim Carrey, Sacha Baron Cohen, Kanye West, James Marsden and Amy Poehler. Everybody had a good whack at it!

Finally, what would Champ think of the Premier League?
He would end it!

And David Beckham?
He'd want to hang out with him and give him a bear hug.

PAUL RUDD

Brian Fantana

Hi Paul! Your character, Brian Fantana, begins the movie as a cat photographer. Is that what you wanted for him?
The years have been good to him. Brian is now the world's pre-eminent cat snapper. You know those kind of pictures you see in dentist waiting rooms? They say things like, "I hate Mondays!" Brian shoots them and he makes a ton of cash. He lives in a mansion with girls, drug dealers and hangers-on.

How would you describe Brian Fantana?
All of these characters are big buffoons in their own way. Well, maybe Champ's not so much a buffoon as a borderline psychopath and deeply repressed homosexual. Brick is mentally retarded. Brian is as sexist as they get and I'm sure he has a drug problem. And yet there's still something innocent about these guys.

And Ron Burgundy?
Ron's just a clown. A completely buffoonish, but not self-aware, fascinating guy. He's the perfect creation played by the perfect actor.

STEVE CARELL

Brick Tamland

Hi Steve! Why did *Anchorman 2* take so long to arrive?
It was last Christmas when I got the call to clear some months for next year because it was finally happening. We'd been waiting so long. Even when we were shooting the first one, we were thinking it was so much fun we should do it again. I'm sure there are lots of theories as to what the hold up was. But ultimately, maybe America wasn't ready

for it. But now they are, and the rest of the world is, too!

Was it like pulling on a favourite pair of pants?
It did feel like getting the band back together. We shot the teaser trailer before the script had even been written – which I think is unique – and it felt exactly the same as it had nine years before. We all get along and it's fun – that's the reason everyone jumped at the chance to do it. It's like going to summer camp and playing with your friends every day.

Was the sequel a chance to develop the character of Brick further?
Brick sort of lives in a parallel reality, so anything that may or may not have happened to him in the intervening years is a mystery. Brick hasn't really come a long way since, "I love lamp!" He's exactly the same. People ask if he evolves in this movie… definitely not. I'm committed to keeping him from ever evolving in any way, size, shape or form. He's finding out about new things, but he's not growing. I don't want him to!

Much like Jesus, Mustang had a good line in not smiling

Ford's Mustang hits the UK!

The iconic muscle car will be coming to dealerships, in right-hand drive, with warranties!

- **Half a century after it was launched, Ford's Mustang is still one of the most universally recognised and desired cars of all time. Which is strange, given that it's common as muck and not very expensive.**
- So how has the Mustang stayed on top for 50 years? Well, movies, muscle and the ability to make everyone smile have a lot to do with it. And now, for the first time in decades, the new one will be officially available in the UK.
- **This "global" Mustang is not a retro muscle car, especially up front where squintier eyes (more tiger than horse) frown either side of the iconic open grille. There's**

WORDS: JONNY SMITH

Bristol had flooded again

a bonnet rippled with biceps-like creases and air intakes, with similar creases running over the length of the roof.

- From the side and rear, the Mustang is much more traditional – bulging haunches over the rear wheels and the hallmark six vertical slits for rear lights. The matte black rear panel and front grille show no Ford badging, just a huge chrome galloping horse.
- **Back in the '70s, you could buy a Mustang with a four-cylinder engine. And it wasn't big, or rapid. And you can again, because Ford has fitted their 2.3-litre "Ecoboost" turbo unit that, with 305bhp, almost matches the Ford Focus RS.**
- But instead of affordable mpg, you could always flick the finger at four pistons and stick with the classic V8 recipe – Ford's "Coyote" 5.0-litre is still on the options list (0 to 62mph in 4.3 secs, 155mph top speed). Tell the missus that at around £30k it's stacks cheaper than any AMG Merc, and there's room for four adults!

"Nope. It needs more black!"

A quick word with Matt Smith

The nearly ex-Doctor on alien Frank Sinatras, rubbish Bart Simpsons and super-crazy fans!

Hi Matt! So you're leaving *Doctor Who*. Are you mad?
You know, I just figured it's been four years – the best four years – and it's been wonderful, but I think when you've got to go, you've got to go. It's sad and I'm going to miss it. It wasn't an easy decision to come to.

What is the un-sexiest thing about what you do?
Blimey, Karen Gillan in the morning was tough! Only joking. I find learning lines is like a kick in the nuts. There are just so many, and you have to learn them every night, so it's constant. Is that un-sexy? *Doctor Who* is not a sexy show. *Game Of Thrones* is a sexy show.

How did you feel when you were first offered the role of the Doctor?
Intimidated. It's wonderful to be part of a show that has such a legacy behind it. But I don't know... It was strange because there was such an uproar, as everyone was like, “He can't be the Doctor, he's like... nine years old!” So it was bizarre.

Did you intentionally bring a youthfulness to your Doctor?
I've actually tried to explore the thousand years-ness of him. Because what intrigues me is that if you think of all the blood on his hands over the centuries, all the empires he's had to watch burn or slip away, all the companions he's lost – that's why he dances around the world with a smile. If he didn't, it'd all be too much. So in terms of being youthful, I've never consciously tried to make him young – sort of the opposite. I don't know if I've failed or succeeded!

What part of your Doctor do you see most in yourself?
I'm a bit clumsy, and the Doctor is kind of clumsy – well, this Doctor is. He's quite kind, and I hope that I'm kind. And I can time travel. I just haven't told anyone.

If you could have any final adventure with the Doctor, where would you go and what would you do?
I don't know really. I've always wanted to do something with Frank Sinatra, so something based around him. Could Frank Sinatra be an alien?

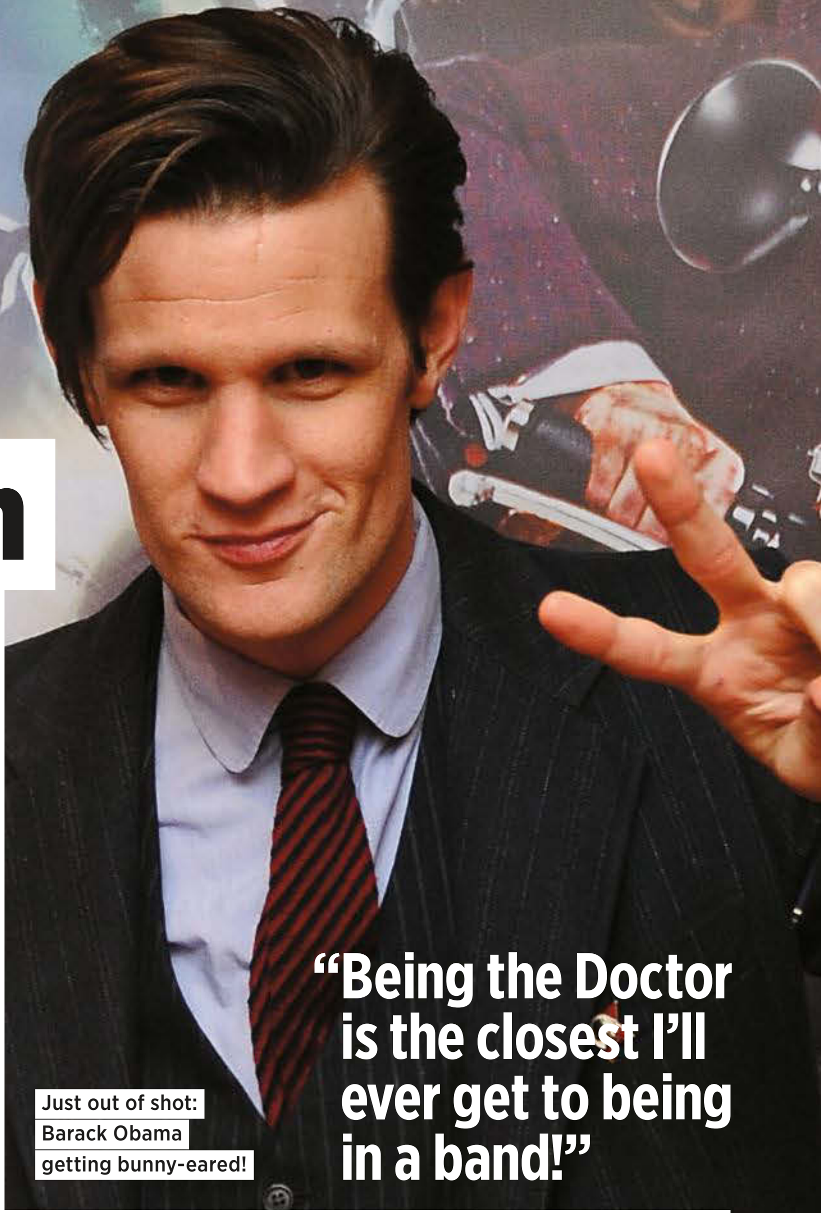
What's the creepiest thing a fan's ever done to you?
The creepiest thing? I don't know. It wasn't creepy but it was strange. I got home once, got to my front door, and there was a little girl of about 12 in the bush, and she jumped out. She said, “Don't worry! I'm not crazy!” “Why are you jumping out at me from behind a bush then?” So I sent her home. That was really weird. Not creepy, but weird. She was a cool kid, but I had to tell her to go home.

Fans dress as their favourite Doctor all the time. What costume would you wear to a fan convention?
I did it at Comic Con in San Diego. I was Bart Simpson. I did it and I went to the Doctor Who bit and tried to talk to lots of people and they were like, “Who's the weird Bart Simpson?”

With all the time it takes to film, is there a part of you that's just looking forward to catching up on sleep?
Look, it's a slog and it's hard but ultimately, you're making *Doctor Who*, so who cares? Yeah, I'll sleep more, but no one will be dressed in fezzes screaming when I walk into a room full of people. I'll miss all that cool stuff that comes with it. The fans are extraordinary. It's the closest I'll ever be to being in a band!

What's next for you? Do you fear what's ahead?
No, I'm excited. I go back to auditioning and trying to get a job. Employ me! I just hope to keep doing good work. I'd like to do a play, I'd like to live in the States for a bit. I'd love to work with Steven [Moffatt, who runs *Doctor Who*] again, not so much Jenna [Coleman, current extremely hot companion]. I'm joking!

Is there anything you want to do in real life before you die?
Well, I'll start at Jennifer Lawrence. And then I think I'll actually conquer time travel. And I'd quite like to own a dog.



Just out of shot: Barack Obama getting bunny-eared!

> “Being the Doctor is the closest I'll ever get to being in a band!”

Ice hockey player's face meets skate!

WITH A combination of angry men, treacherous surfaces, sticks for weapons and basically carving knives nailed to boots, it's surprising that more injuries like this don't happen during ice hockey games.

So do a little sick in your mouth as you look at Canadian ice hockey player Sebastien Courcelles and his nasty injury while captaining the Thetford Mines Isothermic skates gang. Sunday footballers: behold your (ankle's) worst nightmare!

IT'S A while since we've had a good football ankle mangler, so here's heating engineer TJ Hastilow, 26, from Lichfield. We'll let him give you the breakdown...

"Me and another fella went up for a goal-kick and I landed first. He fell on top of me and my body went one way and my foot the other. I didn't feel anything at first, but heard a crunch. It was only when I looked at it that I started crying.

"I'd dislocated my ankle and fractured my fibia. I was in hospital for three days, first to put my ankle back, and then to have pins and a plate put into my leg. But there's no ligament damage and I could wiggle my toes when it was dislocated."

TJ reckons he'll be back playing by February. That thumbs-up was a lovely touch, too!

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

KEEP UP WITH DANNI ON THE NET!

If you want to ask Danni a question, follow her on Twitter – @Danni_Orsi

She's a bed wetter!

Danni, I have a bit of a problem. The girl who I've been seeing recently is really amazing in bed but if I'm completely honest, she gets so wet during foreplay that I find it a bit off-putting. Obviously I know that means she's turned on, but how can I calm her down a bit? Or is it me? Should I just man up and get used to it?

STEPHEN Cornwall

You may find that you're actually pushing your fingers in too deep and pressing on her bladder, Stephen! This can happen if foreplay is too rough. Concentrate on slow sensual movements, and involve your tongue with a little bottom action. This will excite her endlessly. Above all, don't do anything that makes her uncomfortable.

LETTER OF THE WEEK!

I love a lesbian!

One of my best mates on my art course is a lesbian and is always sleeping with girls, but I really fancy her. I know she's had flings with blokes before – quite recently, too – so should I make my move on her?

ANON Leeds

If you get along with her and you feel that there's a connection then yeah, sure! Work on it. Normally, a straight-up conversation is more sexy than a planned "I'm going to make you date me" routine. Does she sleep with girls and boys sober? Whichever gender she sleeps with sober is a strong indication that's where her true preferences lie! Go wild, but not too wild.

The wolf's at the door!

I never used to have this problem but I increasingly come within a couple of minutes of starting sex. I'm 23, so not exactly past it, but when I was 19, I used to go for hours! What can I do?

ARNOLD Bristol

Yes, but at 23 there's more stress in your life – bills to pay and work to worry about. Don't panic. Take girls on dates rather than having one-night stands. Girls love kissing in the snow. Make their knickers wet by making them wait. Don't be an easy target.

- If you've got something to ask Danni, just email her at **thelesbian@nutsmagazine.co.uk** or write to her at the usual *Nuts* address on p104.

JOKE OF THE WEEK!

Flash crash!

A WOMAN and her boyfriend have just left a New Year's Eve party and are speeding down the road in a sportscar. The girl wants some fun and strips off her dress so she can flash at passers-by.

Unfortunately, the man gets distracted and crashes the car. The naked woman is thrown clear but her boyfriend is trapped in the wreckage. The only cover the woman can find is one of her boyfriend's shoes, so she holds it over her crotch and runs to a nearby garage and shouts at the owner, "Help! Help! My boyfriend's stuck!" The garage owner looks at the shoe and says, "You're going to need a doctor, miss, he's too far in."

A DOCTOR and a lawyer are talking at a party, but are constantly interrupted by people asking the doctor for free medical advice. After an hour of this, the doctor says to the lawyer, "What do you do to stop people from asking you for legal advice when you're out of the office?"

"I give it to them," replies the lawyer. "Then I charge them for it afterwards."

The doctor's shocked. "Does that really work?"

"Certainly," replies the lawyer. "That'll be £400, thank you."

IT'S NEW Year's Eve in the local. A big, tough-looking bloke is having a quiet pint when a drunk guy staggers up and shouts, "Your mum's a great shag!"

The big guy just shakes his head in pity and the drunk stumbles off.

Ten minutes later, the drunk returns. "Your mum is absolutely filthy in bed!"

Again, the big guy refuses to take the bait.

Ten minutes later, the drunk returns. "Your mum gives head like a pro!"

At this, finally the big guy snaps. "That's enough, time to go home, dad!"

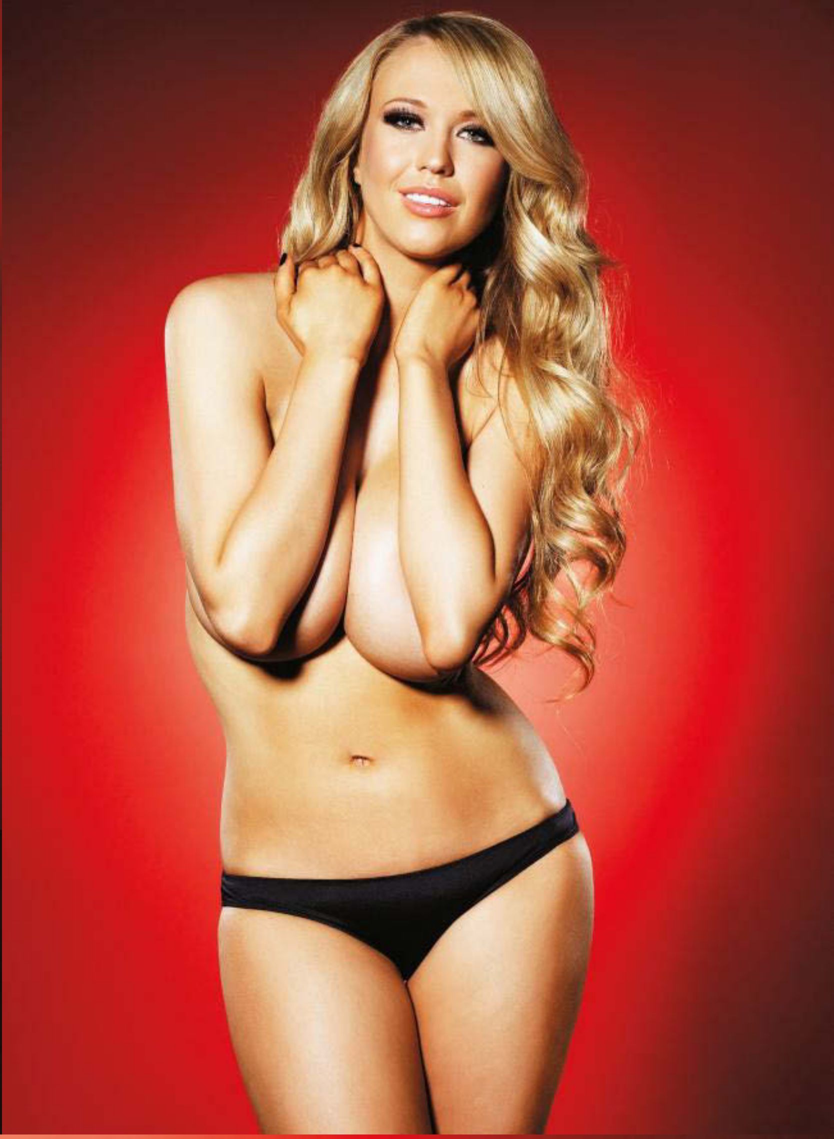
Flaming 'eck, the future's never looked so good! Allow Sophie to show you why...

HOLLY!
CLELIA!
CLAUDIA!



“I love perky boobs with pointy, pert nipples!”

Sophie Reade

SOPHIE READE

Hello Sophie! What do you make of today's batch of sexy new babes? Do they all have what it takes?
Definitely! They all have beautiful boobs – to be a Nuts girl, it isn't just about size, it's about shape and pertness too. It's all about the look and shape of their bums and I know they're all up for a laugh, too! That last bit is important.

What makes a good pair of boobs in your eyes?
No more than a handful – I love nice, perky boobs with pointy, pert nipples that are always erect.

What's the rudest thing you saw in 2013?
The Kim and Kanye *Bound 2* video. That was really saucy. I've seen Kim Kardashian's sex tape and this was like that, only a softcore version. It's like a late-night Channel 5 version of that!

When we spoke to you this time last year, you gave us three New Year resolutions. The first one was to join the mile high club. Did you manage that?
No, but I did have sex at Alton Towers this year! Does that count? I'd been on all the rides and had an adrenaline rush. I just thought, "I fancy it right here, right now," so we went into the woods at the back and did it there. We could see people walking past, but they couldn't see us!

Blimey! Does that count towards the next one you gave us, which was: "To have sex in as many places as I possibly can"?
Yes – Alton Towers is off the list! I also managed to do it in the back of a car – something I never managed as a teenager. Also, on the

►

bonnet of a car and a few places in Nantwich! I had sex in a disabled toilet. I felt really bad because when we came out there was a guy waiting outside in a wheelchair, and he must have been waiting a while. That's bad karma, isn't it?

Your final resolution last year was: "To make my boobs grow bigger by massaging them." How did that one go?
I always moisturise my boobs and they do seem to get bigger. I also like to tweak my nipples while watching TV. People catch me all the time. I either do it through my clothes or underneath them. The more erect they get the more I tweak them – I can't stop!

Are you looking for love in 2014? If so, what kind of man are you after?
Someone with loads of stamina! I like a man to be adventurous and happy to try things at least once, too. Not a footballer, though. I quite like skinny lads, for some reason – tall, tanned and dark.

We've seen a painting on your Twitter feed recently of you topless holding two beach balls in front of your boobs. What's that all about?
Some lady painted it for me. I went to a studio and she took these photos of me with these two beach balls over my boobs. Thankfully, I didn't have to pose the whole time or my arms would probably have fallen off! It's hung at the top of my stairs so it's the first thing you see when you arrive at my house.

We'll have to come round! Thanks for the chat, Sophie. Finally, what was the sexiest item you purchased in 2013?
I love Victoria's Secret stuff, so I've invested in a corset and I wear a lot of stockings and suspenders, and high heels. I don't often wear tights – I'm usually in flesh-coloured suspenders. ►

“I like to tweak my nipples while watching television!”

> **“Rosie Jones is absolutely beautiful!”**
> Claudia Dean

CLAUDIA DEAN

Hi Claudia! What has been your highlight of 2013?
This shoot! I've not done a shoot this big. It's been lots of fun.

You're still quite new to *Nuts*. Can you tell us some more about yourself?
I'm a Manchester lass, so I love a party. I'm very loud on a night out. I love dark rum. I have it with ginger ale or cola.

Who the hottest *Nuts* girl?
I'm a little bit of a Rosie Jones freak. She's absolutely beautiful – I love her face and her figure.

What's your best feature?
Do I have to say my boobs at this point? OK, I get a lot of nice remarks about my eyes.

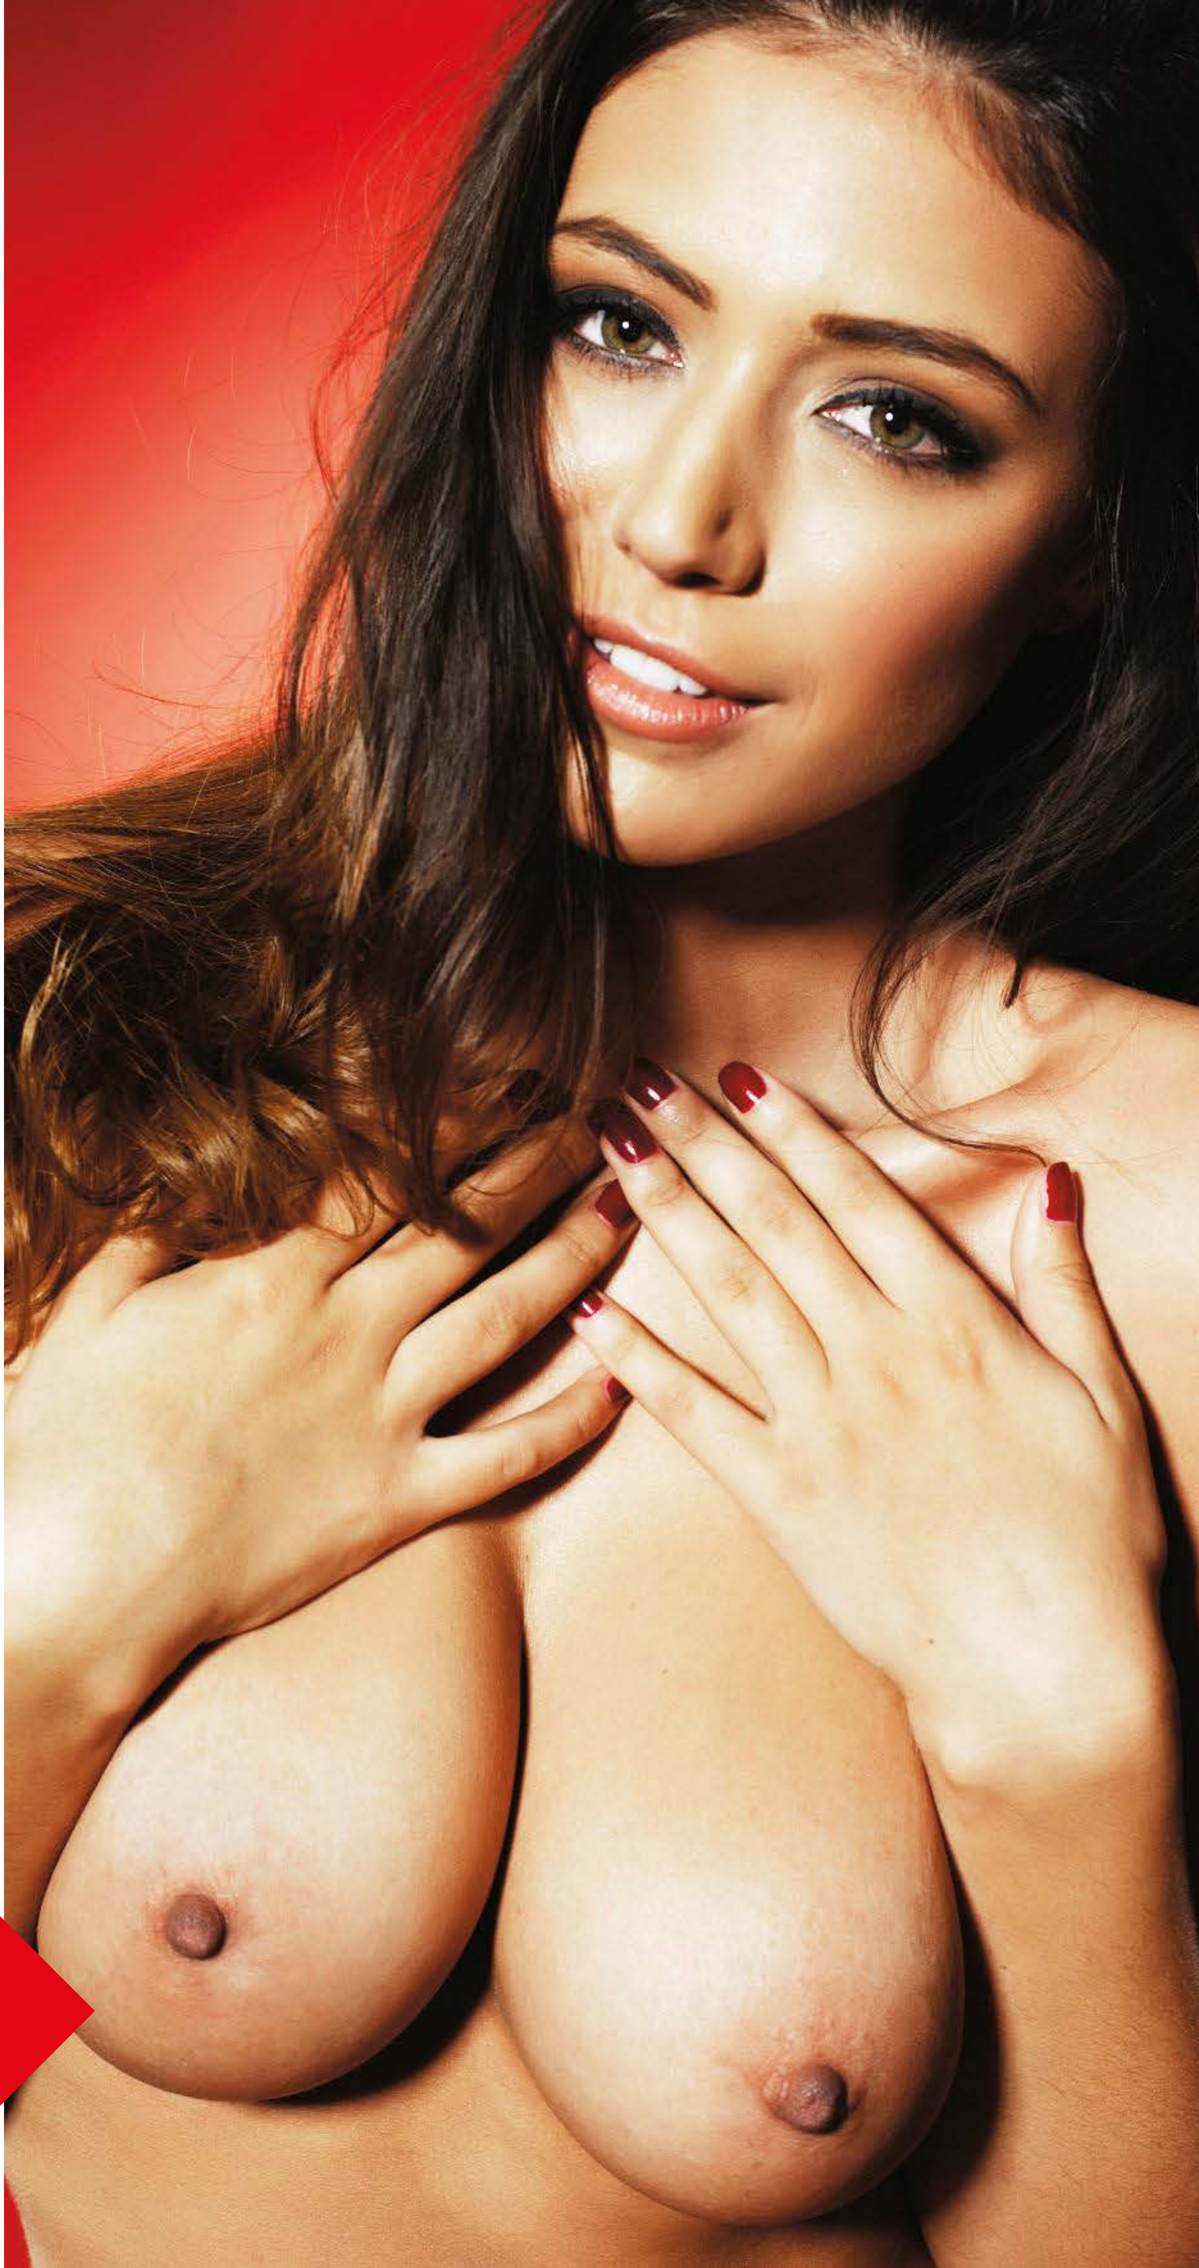
How would a man impress you?
Definitely with food. I'm really into diner-style food – so a big greasy burger with cheesy fries. I'm such a cheap date!

Do you have any secret talents?
I can get my legs around my head, but my party trick is to shake my eyeballs. Not take them out and shake them – make them vibrate!

What type of bloke do you usually go for?
I need to be laughing all the time– a guy with good chat. I can be quite outspoken, so prepare for that.

What's your hottest outfit?
I have an amazing figure-hugging dress – it makes me look very voluptuous! ▶

SOPHIE SAYS:
"Claudia has perky, magnificent breasts! She's got a super-sexy, girl-next-door look. I have real boob envy. I just want to pinch them!"



> **“I need a man who can cook for me all day!”**
> Clelia Theodorou

CLELIA THEODOROU

Hello Clelia! You have a rather lovely name. Where's it from?
Thanks! It's an old Italian name, even though I'm actually Greek. I get nicknamed Chloe quite often because people can't pronounce Clelia.

What's the worst attempt at your name you've heard?
I get Cecilia, Celia, all sorts. It takes everyone at least four goes to get it right.

Where would we find you on a Saturday night?
I love a dinner! I'm Greek so I'll eat anything. I love salads – any kind of salad – if it's green I'll eat it. Steaks, you name it!

Are you a good cook?
No, I'm rubbish. I need a man who can chop veg, make salads and cook for me all day.

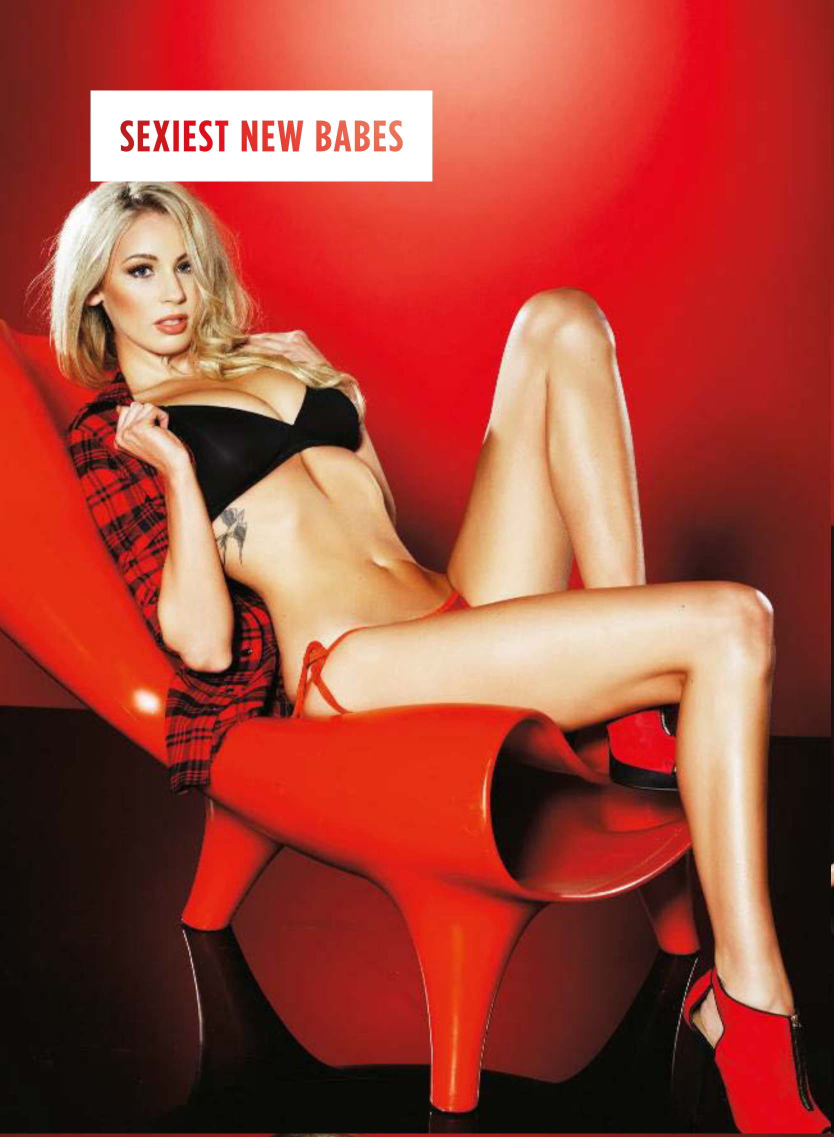
What's the most trouble you've been in on a night out?
I'm quite a goody two-shoes. There's nowhere to go out where I am – I live in Exmouth in Devon. I do like a big night out in Ibiza though.

How would a chap go about chatting you up?
No lines! I need a man's man – I don't like guys who are too girly and high maintenance.

If you had to steal one attribute from one of the other girls, what would it be?
Claudia's boobs! They're so amazing and perfect. The shape of them is incredible. Just look at them! ▶

SOPHIE SAYS:

"Clelia has that effortless sexiness that Mediterranean women have. She has luscious lips and a really provocative look. Encore!"



> **“I’m the innocent blonde one of the shoot!”**
> Holly Coleman

HOLLY COLEMAN

Hi Holly! Who's been most badly behaved on the shoot?
Not me! I'm the innocent blonde one – they're all dark-haired and dangerous!

We've seen you featured in Ten Rude Questions, haven't we?
I had so much fun doing that. It's quite naughty letting people into my private life!

What's your favourite thing about *Nuts*?
I love the shoots. *Nuts* always does something a bit different with their girls.

What are you like on a big night out?
I'm a liability. I often have to head home by 1am – I'm usually first in bed, drunk!

What's your tipple of choice?
Tequila Rose – it tastes like strawberry milkshake.

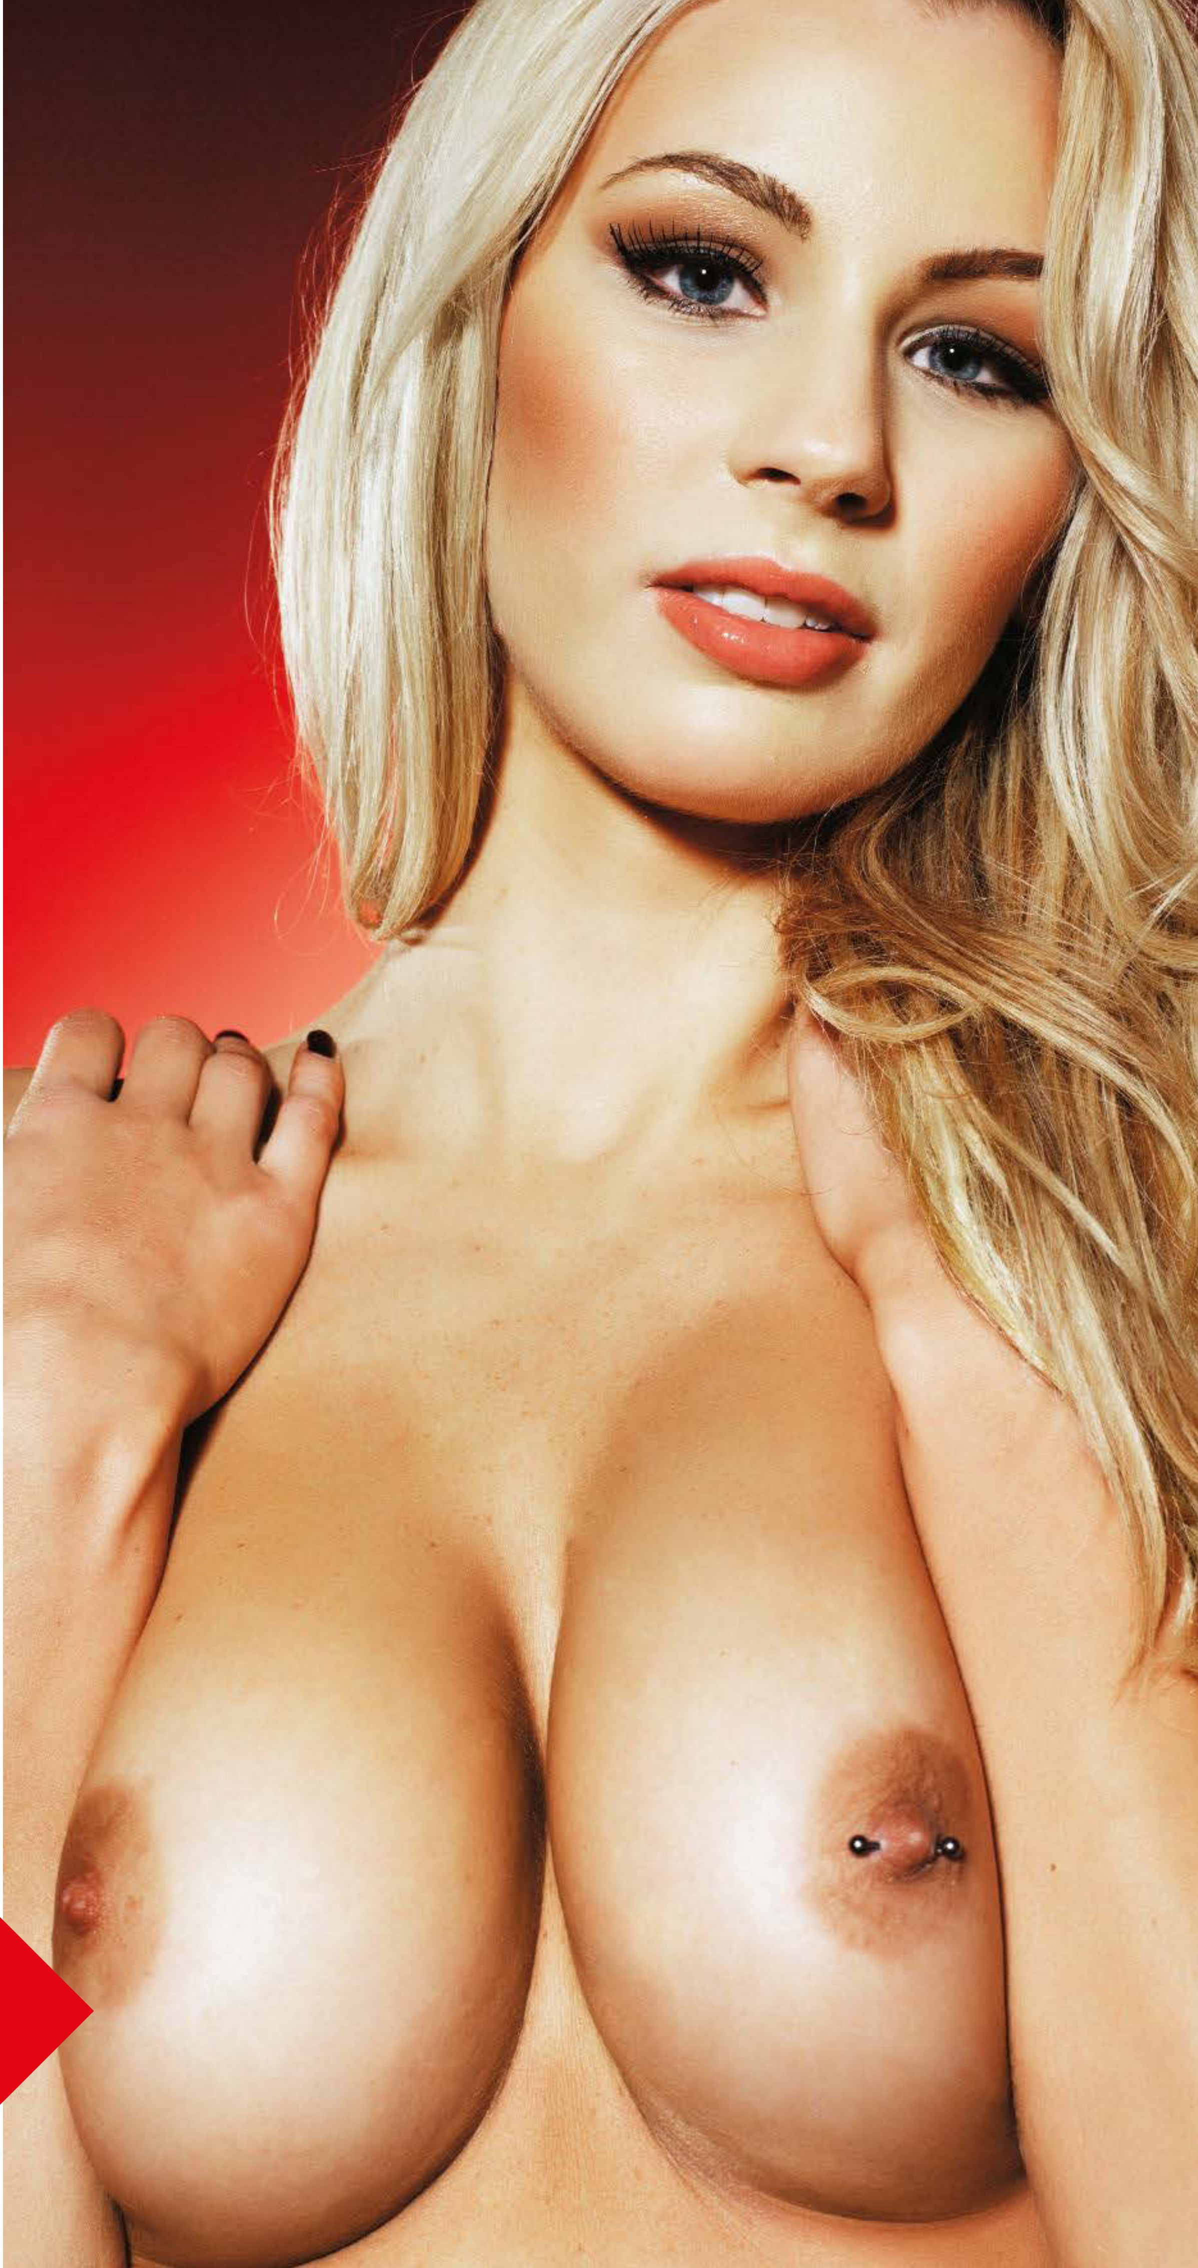
What kind of bloke do you like?
Funny and tall. I'm 5ft 10 and wear heels so they could do with being about 6ft 2.

What's the worst date you've ever been on?
One I had to pay for! A guy took me to the zoo. He wouldn't even buy me a drink.

What box sets are you into?
I'm a huge fan of David Attenborough – I often stick *Blue Planet* or *Africa* on.

Thanks, Holly. Finally, what else can you tell us about yourself?
I used to be a gymnast! ▶

SOPHIE SAYS:
"You rarely get a girl with long legs and big boobs – you usually get one or the other. I'm amazed *Nuts* have found a girl who's the complete package!"



> **“I never wear many clothes around the house!”**
> Sophie Rose

SOPHIE ROSE

Hi Sophie! How excited were you to make your *Nuts* debut?
I love it! It's amazing having somebody style you and do your hair – I feel very special.

Where are you from?
I'm a London girl and a massive Chelsea fan. I go to all games, even away. I have big love for Oscar, our midfielder – he has incredible feet, passing skills and is a beautiful man.

Awesome! When do you feel at your sexiest?
I love being in my underwear. I never wear many clothes around the house.

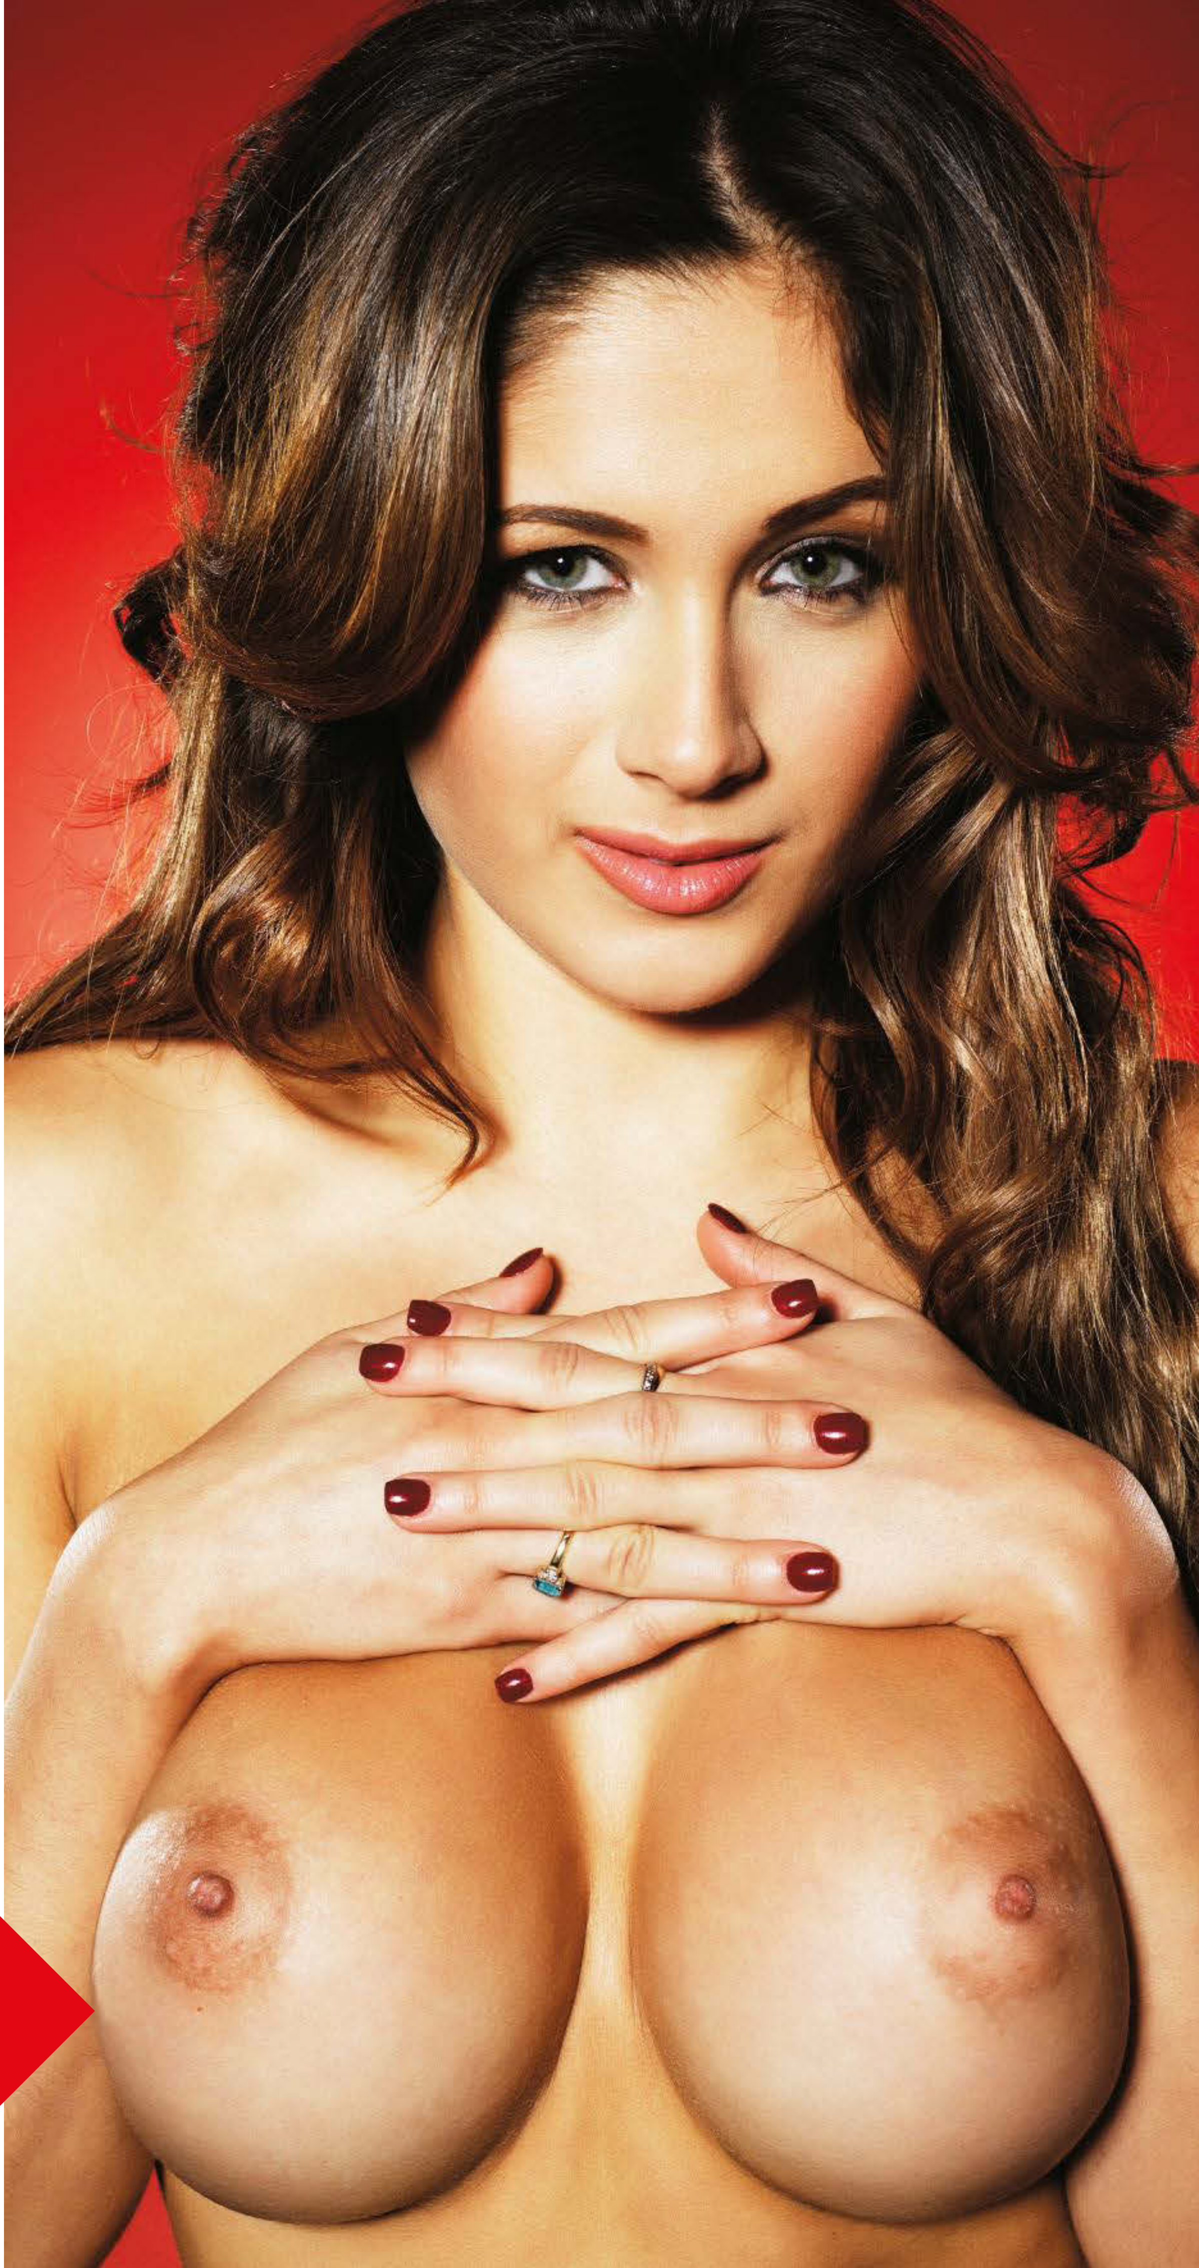
If your mates wrote your Tinder profile, what would it say?
Very independent but also high maintenance. I like being spoiled, but I hate a needy guy.

What do you watch on the box?
I'm always watching Sky Sports, and, weirdly *Home And Away*. I also love watching *Taken* and anything like *CSI*.

Tell us something we didn't know about you...
I spent the summer working in Magaluf. One guy tried to chat me up while I was on the loo! I also witnessed a girl, um, insert a lemon into herself on stage. A whole lemon!

Thanks, Sophie. Finally, what's the sexiest thing you've bought recently?
An extremely expensive bra! I think my boobs deserve to feel expensive! ▶

SOPHIE SAYS:
"I love girls with dark hair. If I saw Sophie out I'd just want go straight over and talk to her. She has an aura – she's flirtatious without even trying!"



“I like a bloke who’s funny, outgoing and can party!”

Lauren Loretta

LAUREN LORETTA

Hi Lauren! How does it feel to be doing a *Nuts* shoot?
Amazing! I've wanted to do this for ages. This was definitely on my to-do list.

What did you think of the other girls on the shoot?
They're so sexy. I think Claudia's extremely pretty with the most amazing boobs!

What makes a good night out?
When I go out, I go hard. I'm a party girl, but I'd rather save up for one big night than loads of little ones.

What box sets do you watch?
I watch a lot of *Friends* – it's so easy to have on – and *The Vampire Diaries*. I know, it's embarrassing!

What are your hidden talents?
I used to be a gymnast, so I can do backflips.

What was the last film you watched?
The Lord Of The Rings.

Tell us something that we didn't know about you.
I went to a vocational ballet school, but they said my boobs were too big, so I thought I'd take them somewhere they'd be appreciated!

Welcome to *Nuts*! Finally, What kind of bloke do you go for?
A muscular one. He's got to be able to party and get on with me. Funny, outgoing and not too hung up. I'm into the Tom Hardy look.

SOPHIE SAYS:
"Lauren's beautiful. She's very natural and sexy. I hear she's very bendy as well, as is Claudia – I can think of lots of shoots we could create!"

COOLEST NEW MOVIES!

Nuts' resident film nerd on next year's big-screen brilliance!

TRANSFORMERS: AGE OF EXTINCTION **10 July**

WHO'S IN IT? Mark Wahlberg, Nicola Peltz, Jack Reynor.

WHAT'S IT ABOUT? "Director Michael Bay has gone all Secret Squirrel on this, but we do know that with the action split between Detroit and Hong Kong the plot centres on Wahlberg's inventor (look, it's a big-budget Hollywood movie, so don't expect much in the way of realism, OK?) discovering a buried Transformer as another tidal wave of robotic carnage builds."

Mark Wahlberg chats to *Nuts*!

The Hollywood legend has a natter about his new flick!

Hey Mark! There's no Shia LaBeouf or Megan Fox this time around... so what can we expect?
It feels like a different movie. It's an interesting dynamic, being a young dad with a teenage daughter, trying to succeed as an inventor provide for my family. Then all hell breaks loose!

What advice have you had for co-star Jack Reynor, who plays your daughter's boyfriend?
It's a big movie and Michael Bay works at a fast pace so you gotta be prepared.

What's been your favourite thing about making this movie?
I love the human element of it all and the fact that I have to entrust the most important thing in my life to Jack – to protect my little girl.

What advice would you give your younger self?
You couldn't give him advice. Everybody thinks they know it all when they're young. It's not until you get older you realise you know very little.

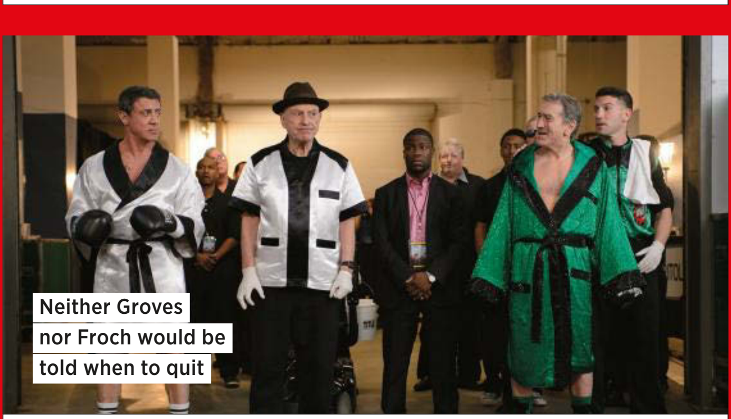
How tough has it been so far working on *Transformers 4*?
There's a camera rig on my car and it's never been used before. The film crew are like, "It's so cool and it's never been used before!" I'm like, "Well, no, it's a f**king problem because if it's never been used before, they don't know how to use this sh*t!' And I got a camera that does all these moves but the f**king thing keeps smashing into me, but Michael Bay's like, "This shot is awesome!"

"Hold it there as long as you like – I don't do high fives"

THE WOLF OF WALL STREET 17 January

WHO'S IN IT? Leonardo DiCaprio, Jonah Hill, Jon Favreau

WHAT'S IT ABOUT? "Every Martin Scorsese film is a must-watch. This time, the *Goodfellas* director takes aim at Wall Street excess in this proper slick black comedy. It's written by *Boardwalk Empire* bloke Terence Winter, and tells the true-life tale of bent banker Jordan Belfort who swindled stocks and made millions back in the '90s. Oh, and he liked throwing dwarfs around his office!"



Neither Groves nor Froch would be told when to quit

GRUDGE MATCH 24 January

WHO'S IN IT? Sylvester Stallone, Robert De Niro, Alan Arkin, Kevin Hart

WHAT'S IT ABOUT? "The stars of *Rocky* and *Raging Bull* play legends of the ring Henry 'Razor' Sharp and Billy 'The Kid' McDonnen. Back in the '80s, Razor (Stallone) retired before a deciding rematch, but now they're dusting down their gloves for a final showdown triggered by a falling out while filming their classic moves for a video game! Definitely one for the boys."

"Damn! I've forgotten the bloody pizzas!"

JACK RYAN: SHADOW RECRUIT 24 January

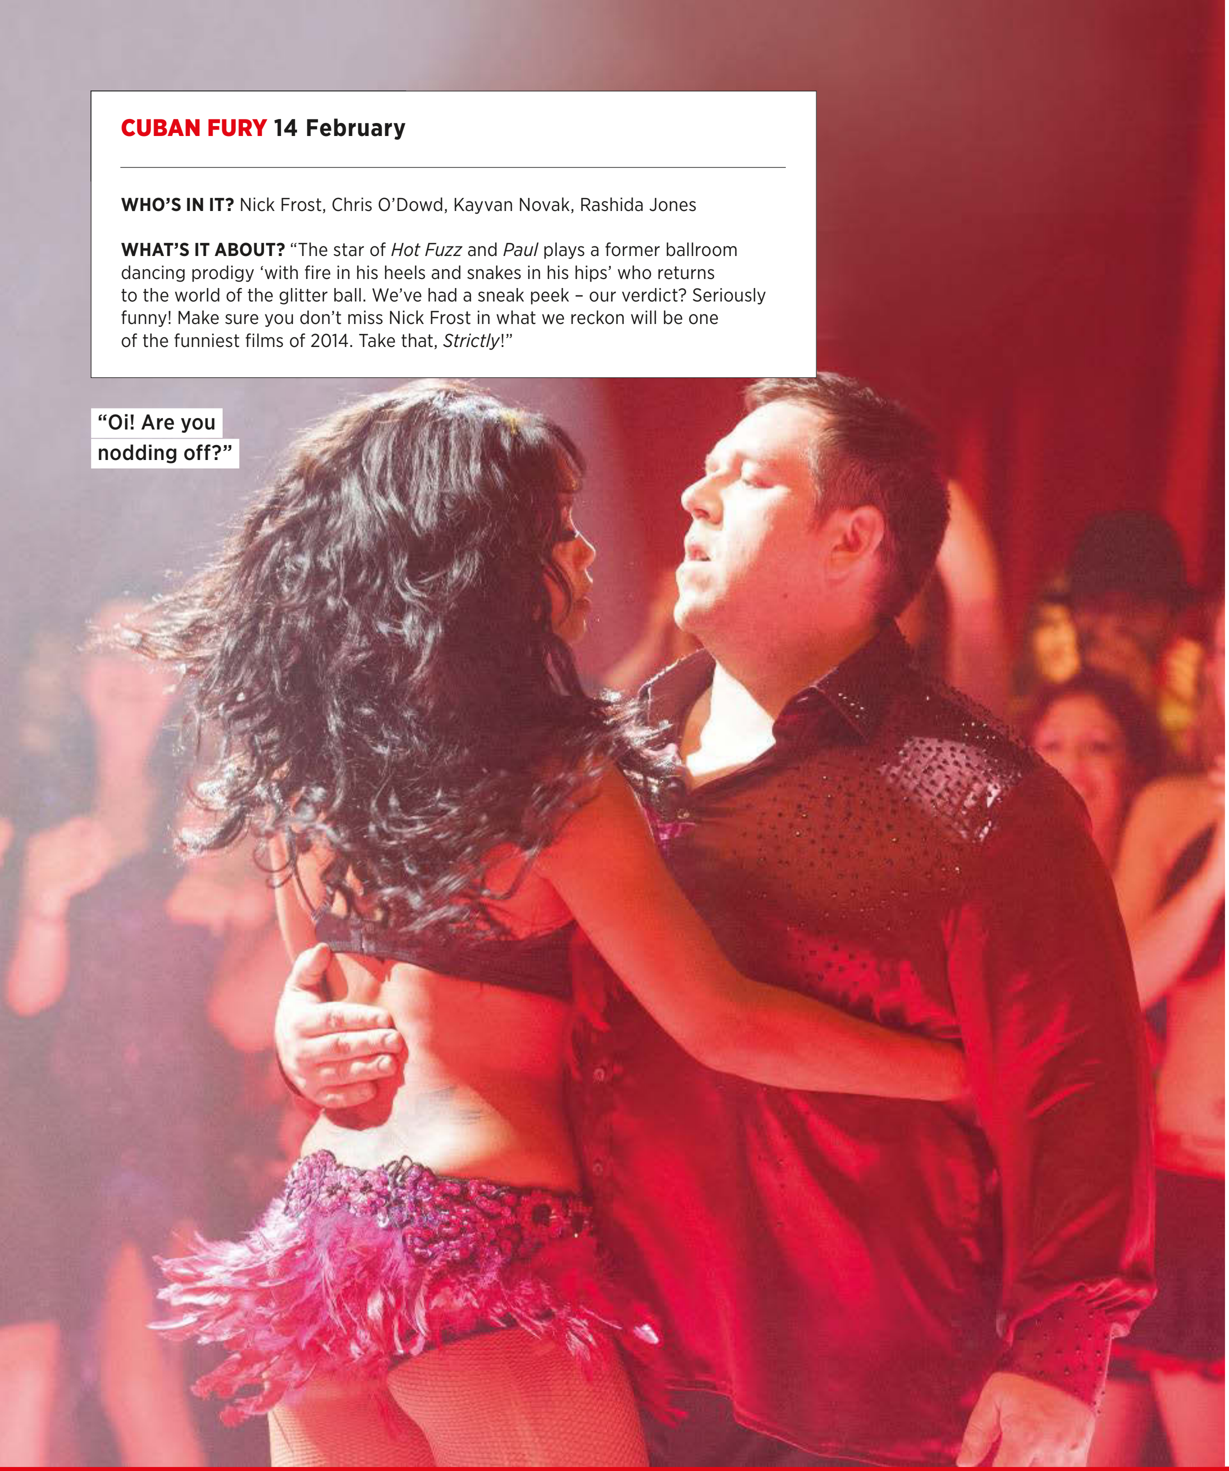
WHO'S IN IT? Chris Pine, Kevin Costner, Keira Knightley, Kenneth Branagh

WHAT'S IT ABOUT? "Jack's Back! After being played by Alec Baldwin, Harrison Ford and Ben Affleck, Chris 'Captain Kirk' Pine brings the badass spook back to the big screen. We follow Ryan from 9/11, through his tour of duty in Afghanistan to his early days in the CIA where he goes toe-to-toe with a Russian terrorist played by *Thor* director and Brit luvvie Branagh."

CUBAN FURY 14 February

WHO'S IN IT? Nick Frost, Chris O'Dowd, Kayvan Novak, Rashida Jones

WHAT'S IT ABOUT? "The star of *Hot Fuzz* and *Paul* plays a former ballroom dancing prodigy 'with fire in his heels and snakes in his hips' who returns to the world of the glitter ball. We've had a sneak peek – our verdict? Seriously funny! Make sure you don't miss Nick Frost in what we reckon will be one of the funniest films of 2014. Take that, *Strictly*!"



"Oi! Are you nodding off?"

Nick Frost chats to *Nuts*!

The brill Brit actor tells us about his new dancing romp!

Hey Nick! Why have you made a film about dancing?
Being a big man, when you dance well, there's a look thin people give you – the kind when you're battling a tumour! That annoyed me. Having a passion is important and that's the genesis of *Cuban Fury*.

Was it tough to do?
I got a bit drunk one night and wrote an email to my producer, pitching the story to her. The next morning, I thought, 'Oh, dear God!' But she liked it. So I danced seven hours a day for seven months to learn.

So you're not a natural?
Dancing's like my relationship with spiders. I hate them but they fascinate me and if I drink enough, I'll want to touch!

"Argh! That really twangs!"

CAPTAIN AMERICA: THE WINTER SOLDIER 28 March

WHO'S IN IT? Chris Evans, Scarlett Johansson, Samuel L Jackson

WHAT'S IT ABOUT? "Following the New York smackdown in *The Avengers*, Steve Rogers – aka Marvel hero Captain America is out of the spotlight. But when a S.H.I.E.L.D. colleague comes under attack, he joins forces with the Black Widow (Johansson) to foil assassins sent to silence him, and faces his biggest challenge up against a new and formidable enemy – the Winter Soldier."

The *Little Red Riding Hood* reboot was a bit bleak

THE RAID 2: BERANDAL TBC

WHO'S IN IT? Indonesian martial arts legend Iko Uwais

WHAT'S IT ABOUT? "British director Gareth Evans has confirmed his follow-up to the fightiest film of 2013 will boast over 70 minutes of Pencak Silat action mayhem! The sequel picks up the action just hours after the events of the first film. It sees Rama (Uwais) on the run and up against the Berandal (gangsters) of the title. Sounds absolutely crackers. We can't wait!"

The vertigo attack hit at just the worst possible time

THE AMAZING SPIDER-MAN 2 18 April

WHO'S IN IT? Andrew Garfield, Emma Stone, Jamie Foxx, Paul Giamatti

WHAT'S IT ABOUT? "Spidey 2.0 faces off against two classic villains in the form of Rhino (Giamatti as a Russian brute) and Electro (Foxx plays the villain whose powers evolve after he's struck by lightning while working on a power line). We're looking forward to a spring blockbuster or, at the very least, seeing the gorgeous Emma Stone on the big screen again."

They found the world's worst lightbulb strangely fascinating

BAD NEIGHBOURS 9 May

WHO'S IN IT? Seth Rogen, Zac Efron, Rose Byrne, Christopher Mintz-Plasse

WHAT'S IT ABOUT? "It's not a year in movie-making without a Seth Rogen gross-out, is it? Here, he teams up with his missus (Byrne) to play a couple whose perfect life is rocked by the arrival of a frat house next door. Get ready for gross-out shenanigans and top gags from the makers of *Forgetting Sarah Marshall* and *Get Him To The Greek* as Rogen blows a gasket to get even."

"Trust me to pick today to wear my heavy clothes!"

EDGE OF TOMORROW 30 May

WHO'S IN IT? Tom Cruise, Emily Blunt, Bill Paxton, Jeremy Piven

WHAT'S IT ABOUT? "It's *Groundhog Day* with aliens! Sort of. Formerly known as *All You Need Is Kill*, this stars pint-sized weirdo Cruise as an officer sent on a suicide mission. His death sends him into a time loop of fighting and dying, with each repetition edging him closer to defeating his extra–terrestrial foe. Saving the world is a tough job but tiny Tom can handle it!"

FAST & FURIOUS 7 25 July

WHO'S IN IT? Vin Diesel, Vin Diesel, Paul Walker, Dwayne 'The Rock' Johnson, Jason Statham, Kurt Russell, Jordana Brewster, Michelle Rodriguez, Tony Jaa

WHAT'S IT ABOUT? "We were gutted by the recent death of Paul Walker, but next summer's instalment of the pedal-to-metal franchise – directed by *Saw* creator James Wan – should be a fitting tribute to the legend's memory. In it, Ian wants revenge on Dom's crew. We can smell burning rubber already!"

THE INBETWEENERS MOVIE 2 6 August

WHAT'S IT ABOUT? "We end 2013 with the news that the lads are heading to Australia for their second big-screen outing. The first movie is the UK's most successful comedy film to date, so a sequel was always likely. So far, we know that they've cast Freddie Stroma as a wealthy chap who the dudes meet. Expect the Aussies to take a proper bashing. That should make up for the cricket!"

Joel Kinnaman chats to *Nuts*!

The new RoboCop spills the beans on the big reboot!

Hi Joel! How much of hard-nut did you have to become to play RoboCop? I did two or three weeks of tactical training with the Swedish Special Forces. The idea of how a robot would move, in 1987, is very different from the futuristic fantasy of 2014. So we moved away from the robotic movements of the original.

Your director – José Padilha – also did the awesome *Elite Squad* movies about Brazillian death squads. Are there any political overtones in RoboCop? We're talking about where we are with drone politics. You have these unmanned ships that are dropping bombs, but there's still somebody pulling the trigger. The reason the US got out of the Vietnam War was because there were so many American lives being lost, and political pressure built up. If you've automated the military industry, you don't have that and that's a very slippery slope towards fascism. And the movie discusses that.

So it's perhaps very timely? Exactly. This was an opening to discuss things that are already being talked about in philosophy – and we're going to be discussing this in the next ten years.

Thanks for the chat! Finally, how was wearing the suit? It was very uncomfortable. Also, when the cameras weren't rolling, I'd feel a bit awkward and embarrassed. That's what I found so interesting with this character – he's got all this power but he's become more vulnerable. ►

"This is an umbrella, right? I can't see a thing in this helmet"

ROBOCOP 7 February

WHO'S IN IT? Joel Kinnaman, Samuel L Jackson, Michael Keaton, Abbie Cornish

WHAT'S IT ABOUT? "The canned-cop classic gets a much-anticipated reboot set in 2028 Detroit where crime is out of control (not too far unlike 2013 Detroit, then!) and 'the only solution isn't human'. Sinister Omnicorp cash in on the chaos with a part-human, part-robot rozzer to… oh, you know the rest! Joel Kinnaman takes on the Robo-role in an early contender for movie of the year!"

GREATEST NEW GAMES!

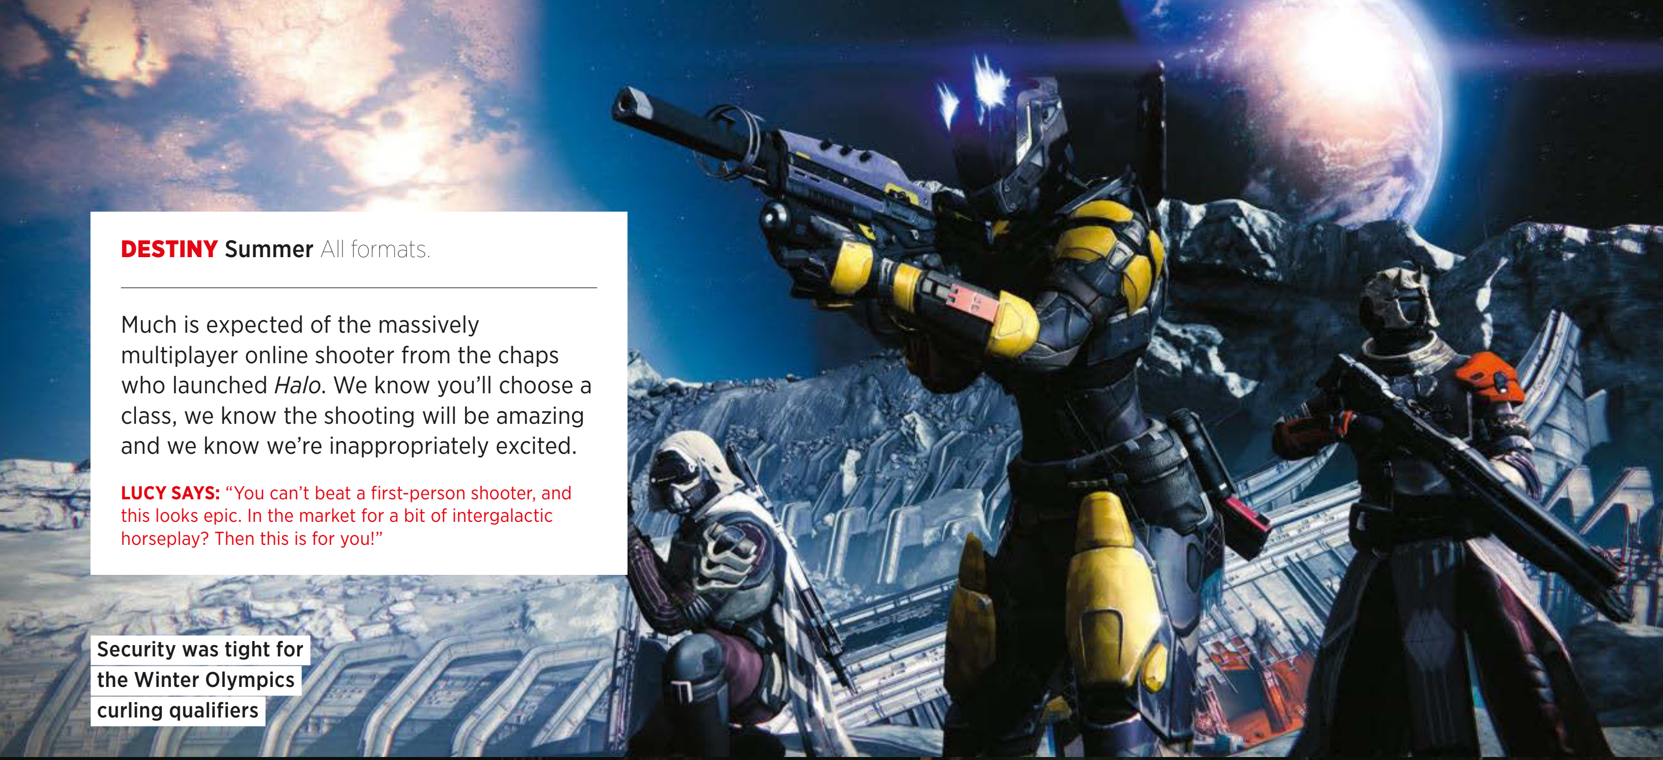
Our gaming expert gives the lowdown on what's hitting next gen consoles!

TITANFALL March PC, Xbox 360, Xbox One

Men, mechs and pandemonium are promised for this frantic shooter from the guys whose last game was *CoD: Modern Warfare*, so they have previous. It just feels as though next gen will start properly once *Titanfall* drops.

LUCY SAYS: "Man vs machines. The footage I've seen so far made me go, 'Flipping hell this looks mammoth!' I know it'll be keeping me hooked."

"Hmm, maybe I went a bit too far with that 3D printer I got for Christmas"

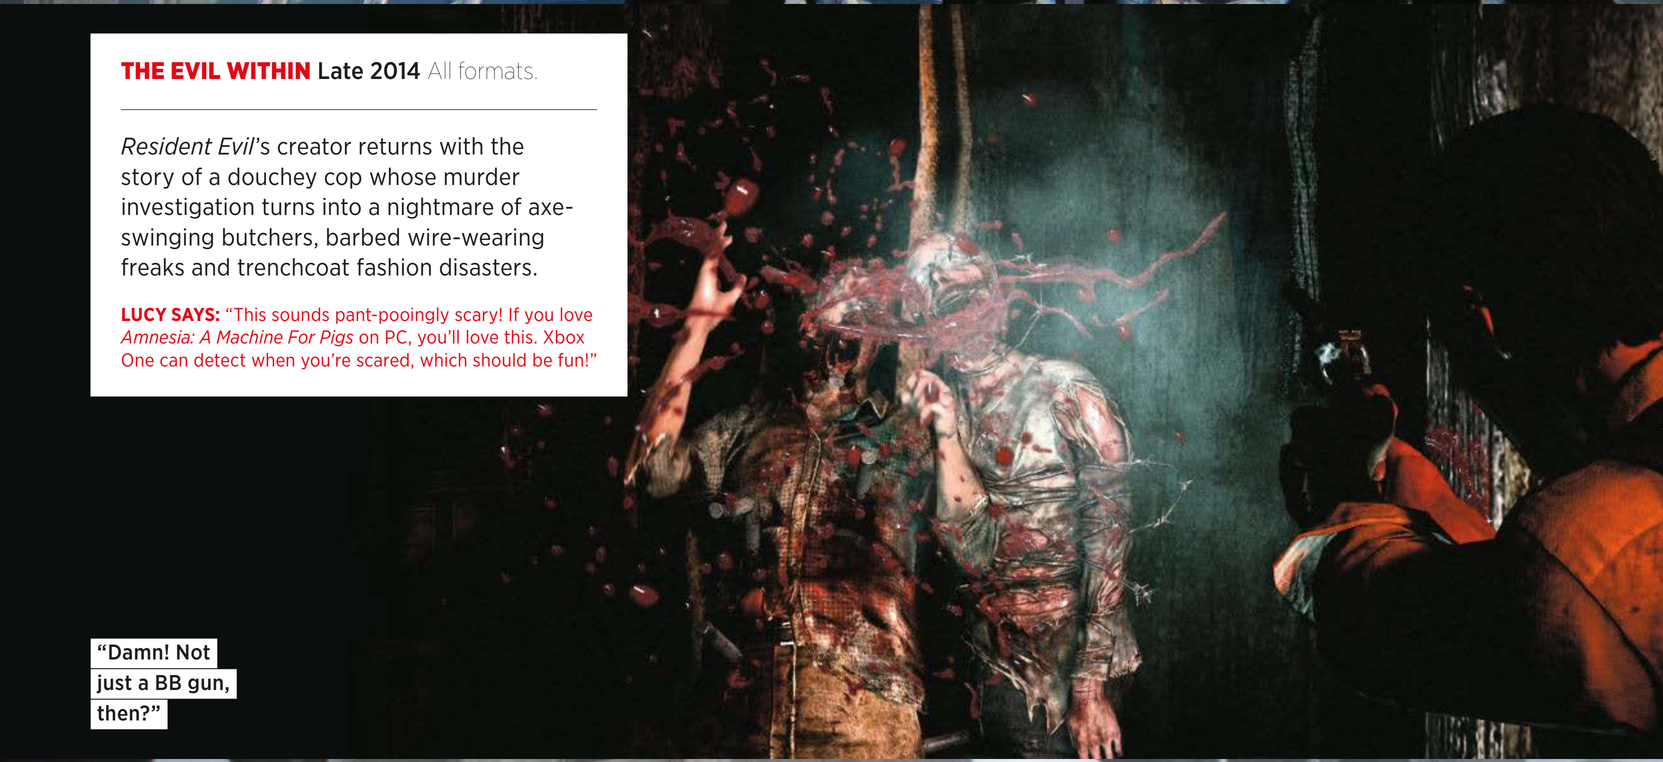


DESTINY Summer All formats.

Much is expected of the massively multiplayer online shooter from the chaps who launched *Halo*. We know you'll choose a class, we know the shooting will be amazing and we know we're inappropriately excited.

LUCY SAYS: "You can't beat a first-person shooter, and this looks epic. In the market for a bit of intergalactic horseplay? Then this is for you!"

Security was tight for the Winter Olympics curling qualifiers

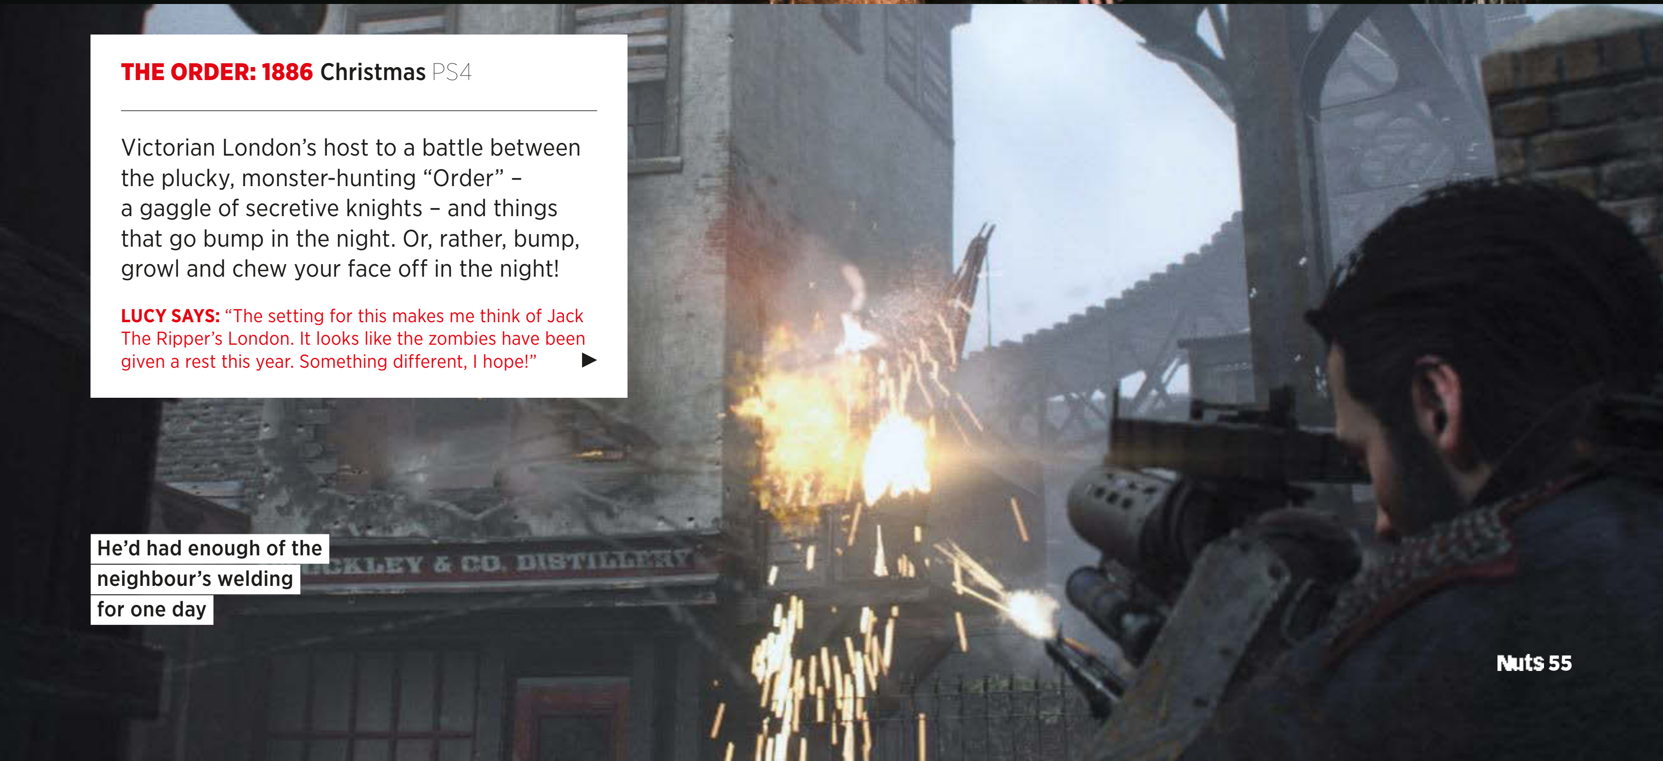


THE EVIL WITHIN Late 2014 All formats.

Resident Evil's creator returns with the story of a douchey cop whose murder investigation turns into a nightmare of axe-swinging butchers, barbed wire-wearing freaks and trenchcoat fashion disasters.

LUCY SAYS: "This sounds pant-pooingly scary! If you love *Amnesia: A Machine For Pigs* on PC, you'll love this. Xbox One can detect when you're scared, which should be fun!"

"Damn! Not just a BB gun, then?"

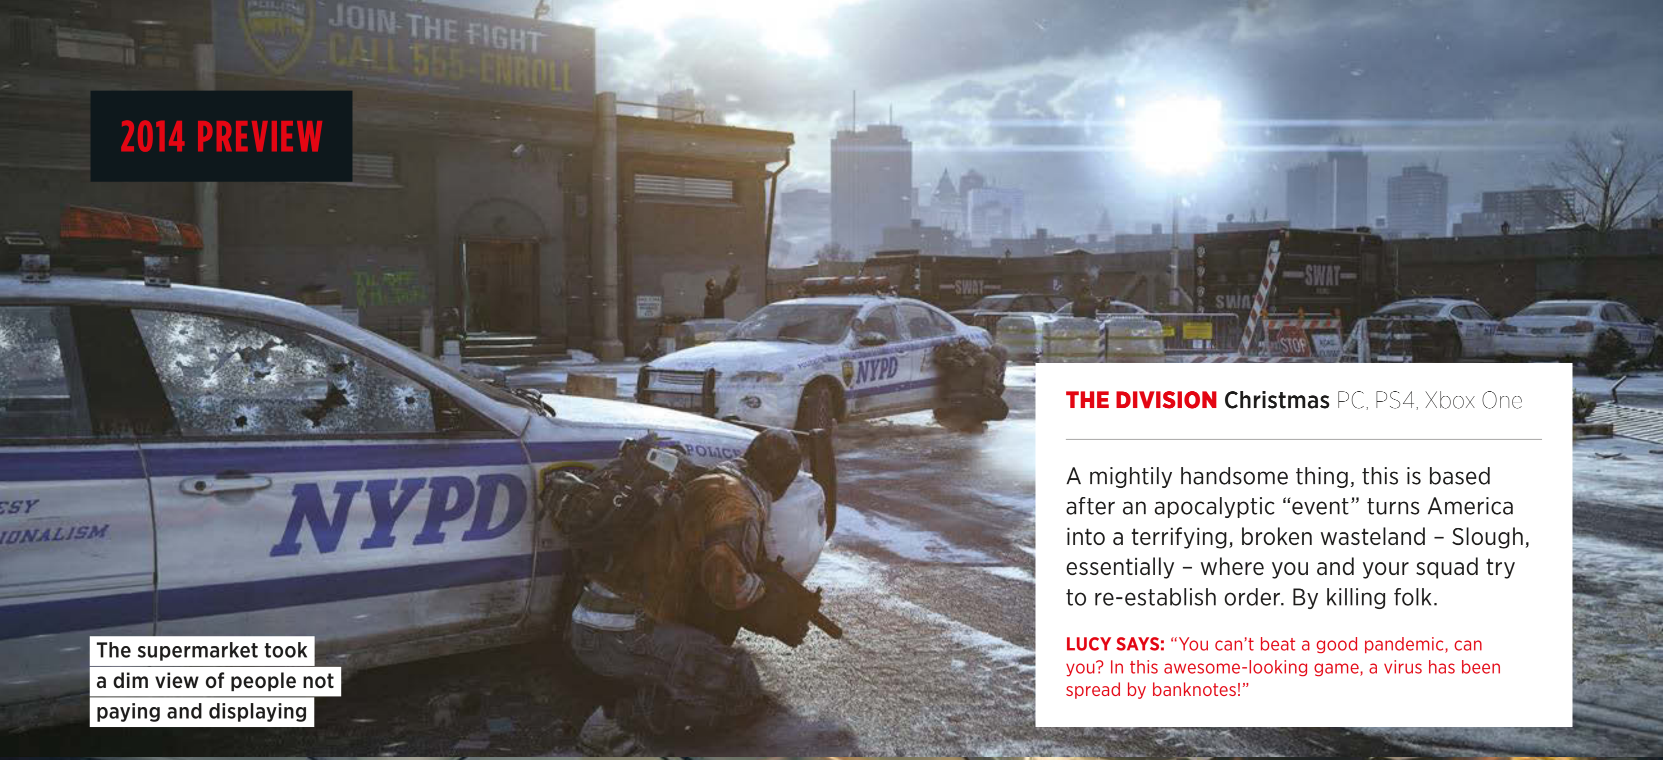


THE ORDER: 1886 Christmas PS4

Victorian London's host to a battle between the plucky, monster-hunting "Order" – a gaggle of secretive knights – and things that go bump in the night. Or, rather, bump, growl and chew your face off in the night!

LUCY SAYS: "The setting for this makes me think of Jack The Ripper's London. It looks like the zombies have been given a rest this year. Something different, I hope!" ▶

He'd had enough of the neighbour's welding for one day

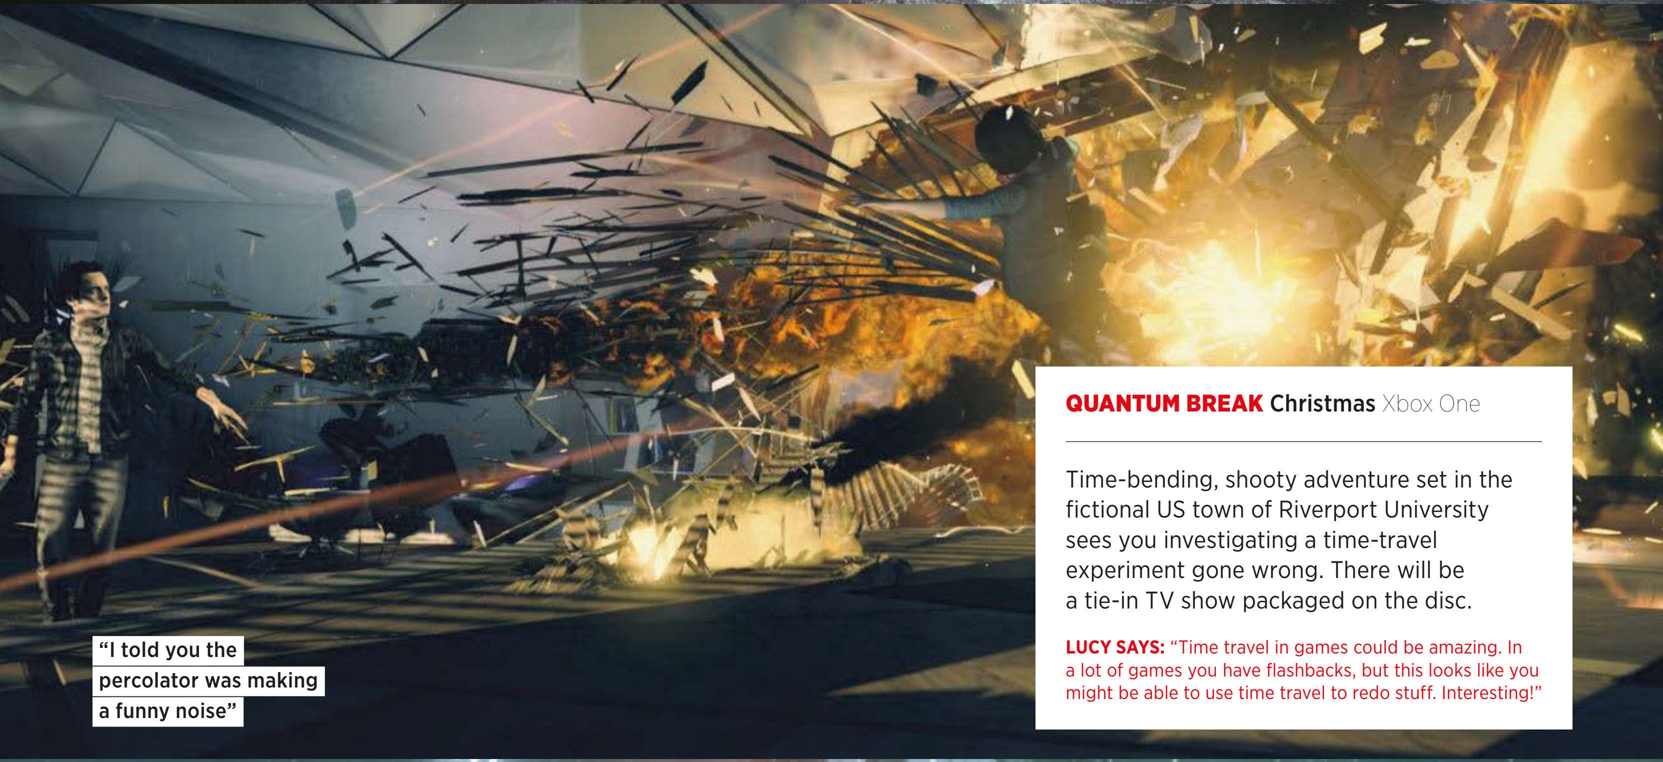


The supermarket took a dim view of people not paying and displaying

THE DIVISION Christmas PC, PS4, Xbox One

A mightily handsome thing, this is based after an apocalyptic "event" turns America into a terrifying, broken wasteland – Slough, essentially – where you and your squad try to re-establish order. By killing folk.

LUCY SAYS: "You can't beat a good pandemic, can you? In this awesome-looking game, a virus has been spread by banknotes!"

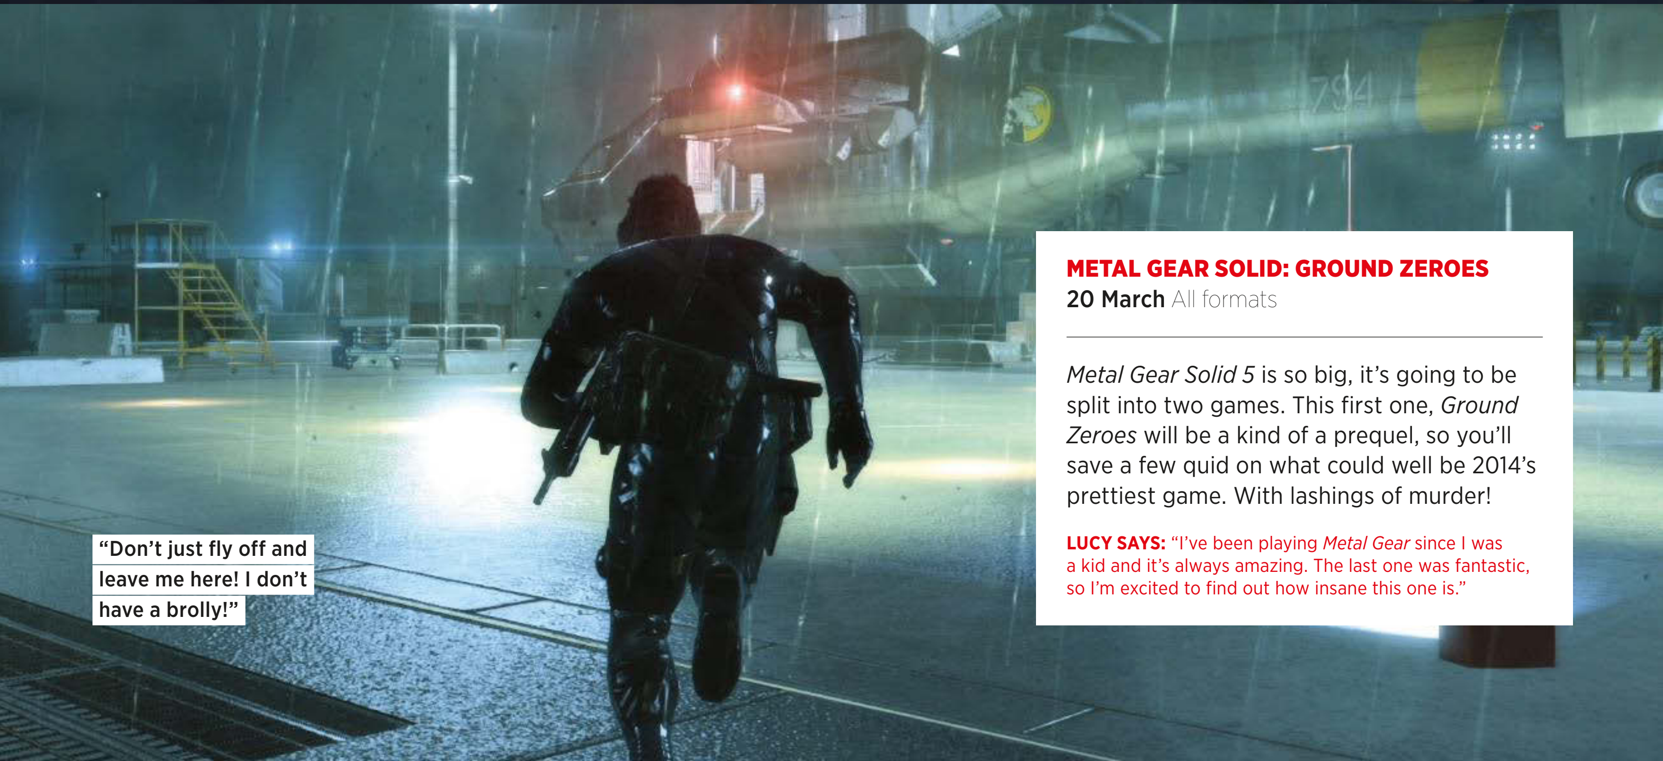


"I told you the percolator was making a funny noise"

QUANTUM BREAK Christmas Xbox One

Time-bending, shooty adventure set in the fictional US town of Riverport University sees you investigating a time-travel experiment gone wrong. There will be a tie-in TV show packaged on the disc.

LUCY SAYS: "Time travel in games could be amazing. In a lot of games you have flashbacks, but this looks like you might be able to use time travel to redo stuff. Interesting!"

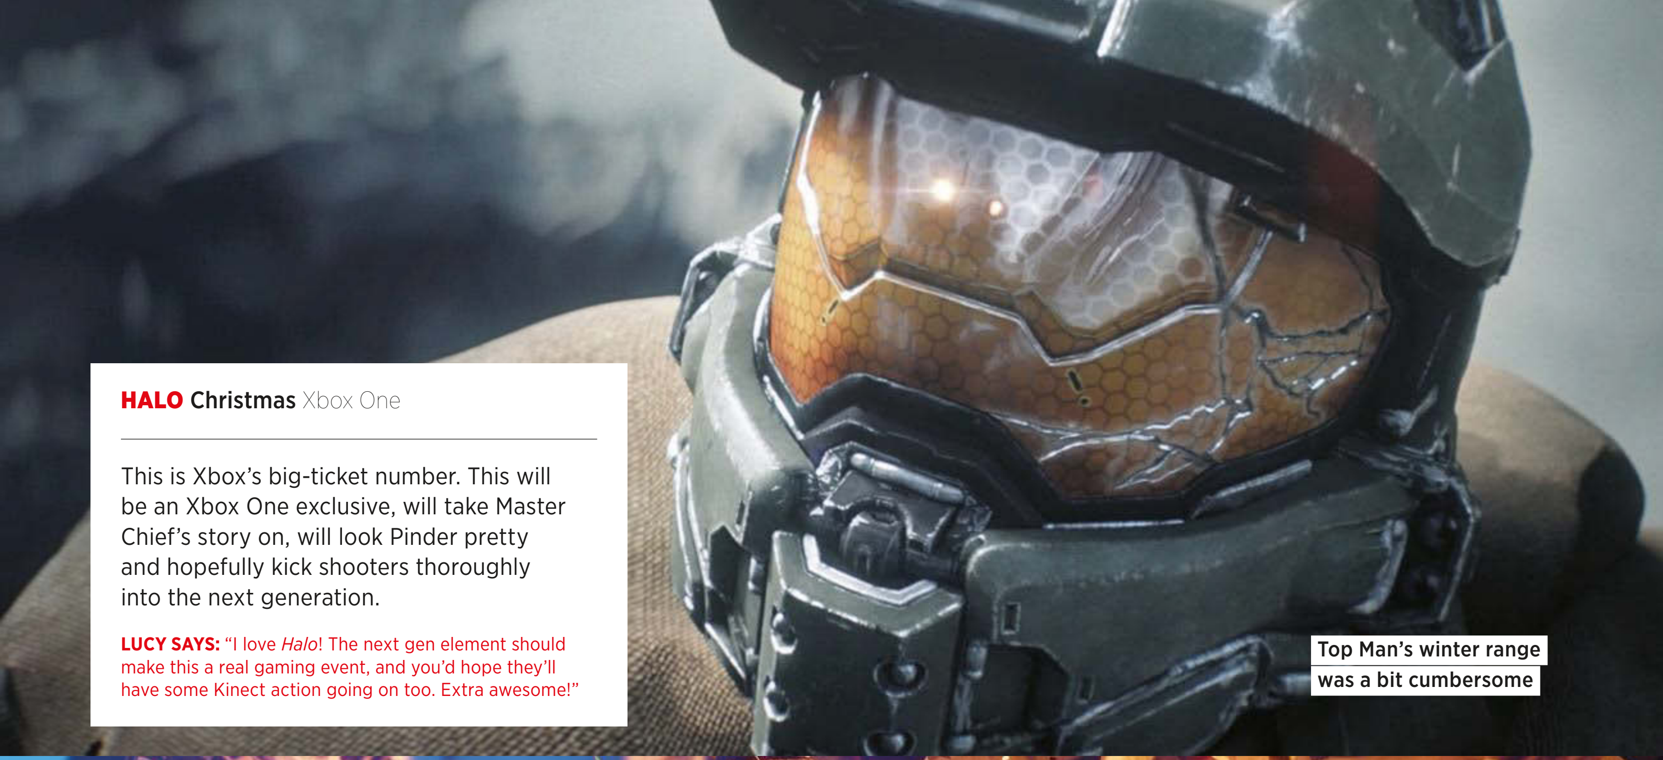


"Don't just fly off and leave me here! I don't have a brolly!"

METAL GEAR SOLID: GROUND ZEROES 20 March All formats

Metal Gear Solid 5 is so big, it's going to be split into two games. This first one, *Ground Zeroes* will be a kind of a prequel, so you'll save a few quid on what could well be 2014's prettiest game. With lashings of murder!

LUCY SAYS: "I've been playing *Metal Gear* since I was a kid and it's always amazing. The last one was fantastic, so I'm excited to find out how insane this one is."

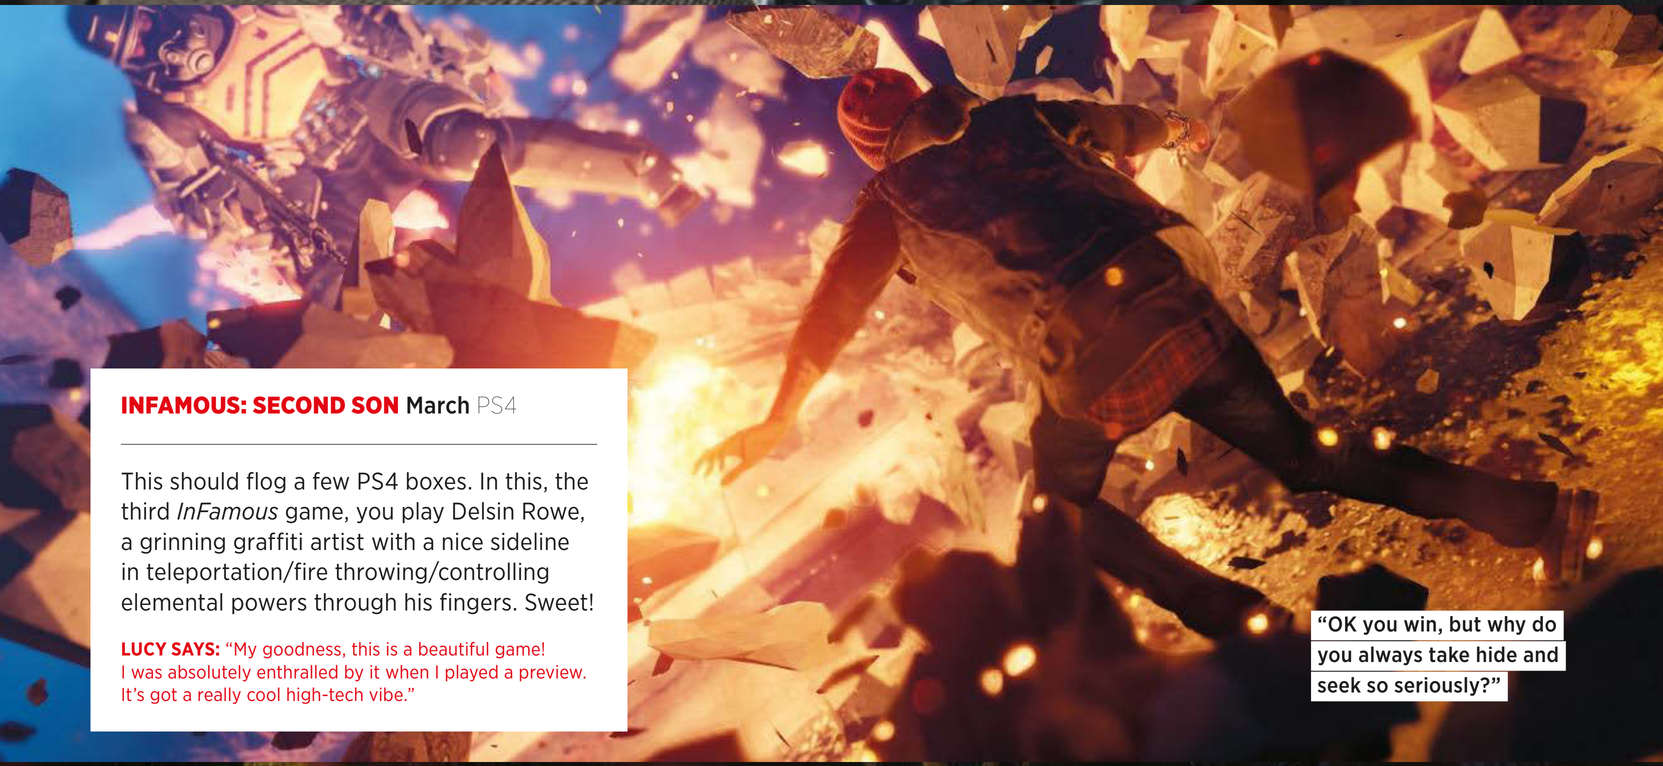


HALO Christmas Xbox One

This is Xbox's big-ticket number. This will be an Xbox One exclusive, will take Master Chief's story on, will look Pinder pretty and hopefully kick shooters thoroughly into the next generation.

LUCY SAYS: "I love *Halo*! The next gen element should make this a real gaming event, and you'd hope they'll have some Kinect action going on too. Extra awesome!"

Top Man's winter range was a bit cumbersome

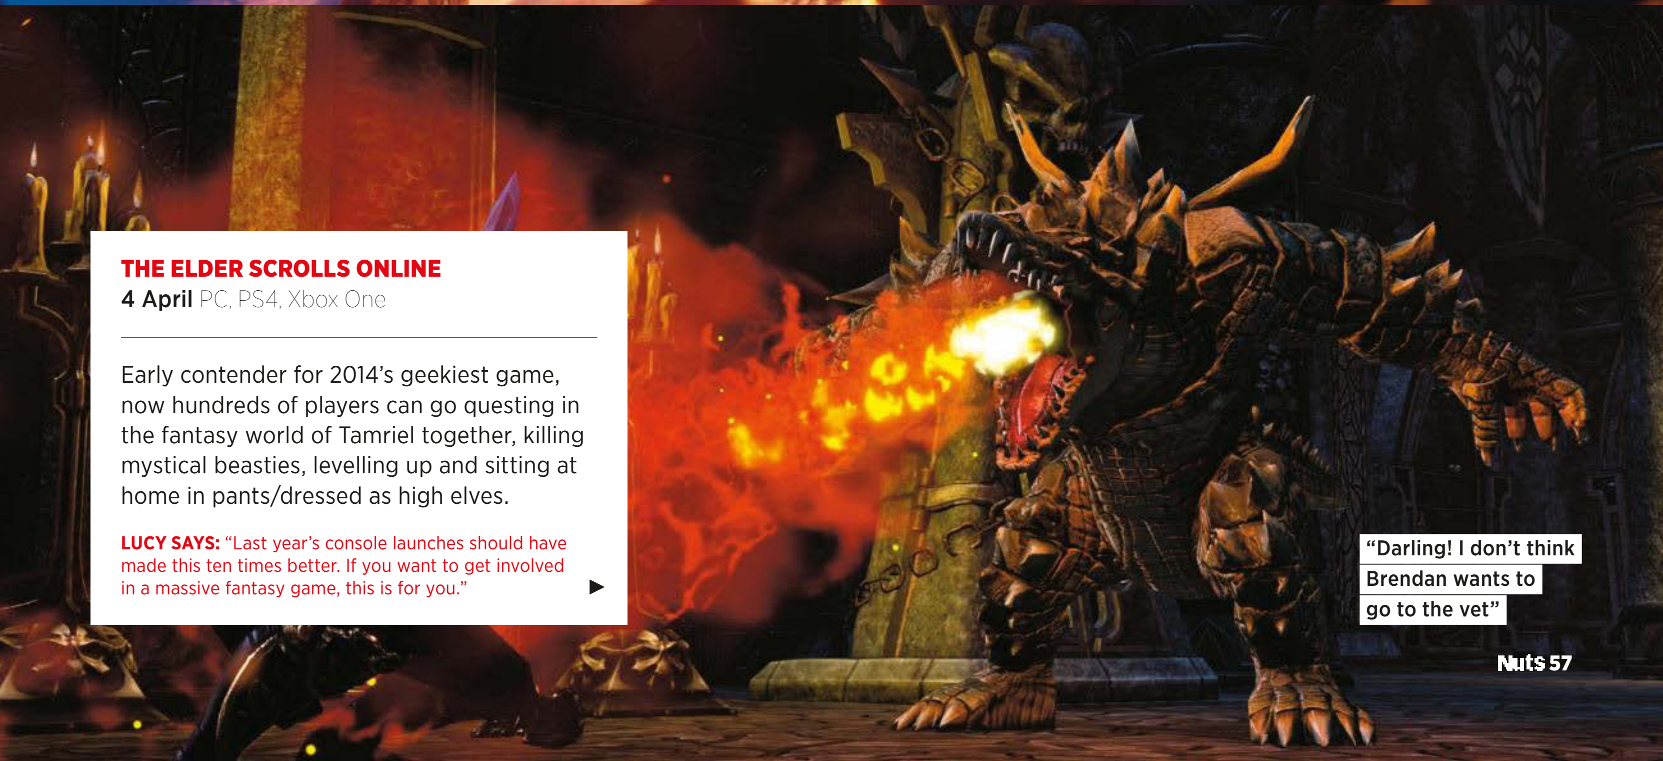


INFAMOUS: SECOND SON March PS4

This should flog a few PS4 boxes. In this, the third *InFamous* game, you play Delsin Rowe, a grinning graffiti artist with a nice sideline in teleportation/fire throwing/controlling elemental powers through his fingers. Sweet!

LUCY SAYS: "My goodness, this is a beautiful game! I was absolutely enthralled by it when I played a preview. It's got a really cool high-tech vibe."

"OK you win, but why do you always take hide and seek so seriously?"



THE ELDER SCROLLS ONLINE
4 April PC, PS4, Xbox One

Early contender for 2014's geekiest game, now hundreds of players can go questing in the fantasy world of Tamriel together, killing mystical beasties, levelling up and sitting at home in pants/dressed as high elves.

LUCY SAYS: "Last year's console launches should have made this ten times better. If you want to get involved in a massive fantasy game, this is for you." ▶

"Darling! I don't think Brendan wants to go to the vet"

LAMBORGHINI VENENO ROADSTER

FERRARI LAFERRARI

It was one mean-looking banana!

AUDI SPORT QUATTRO CONCEPT

Back in ’84, Audi built a special shorter, lairier version of their Quattro Turbo called the Sport Quattro. Now they’re going to build a strictly limited-edition retro homage to the rally weapon based on an RS5.

MOTOR: 4.0-litre twin turbo V8 + lithium ion battery electric, eight-speed paddleshift **POWER:** 702bhp/590lb-ft **MAX SPEED:** 190mph **0-62 IN:** 3.7 secs **PRICE:** £130k (est)

Caterham X Legoland

CATERHAM AEROSEVEN

The AeroSeven is bare-naked fast-driving techiness. The 600kg carbon creation uses F1 pushrod suspension, F1 aero for downforce, a screaming 2.0-litre Ford motor, ABS and Traction Control.

MOTOR: 2.0-litre Ford Duratec, six-speed gearbox, rear wheel drive **POWER:** 237bhp, 153lb-ft **MAX SPEED:** 150mph **0-62 IN:** 3.9 secs (est) **PRICE:** £40k (est)

Alfa had taken too many steroids

ALFA ROMEO 4C

This is what happens when Alfa Romeo realises it's been making too many pretty cars that are just dull to drive. This mid-engined little 1,750cc turbo barks 240bhp and the thing only weighs 925kg.

MOTOR: 1.75-litre four-cylinder turbo, TCT six-speed twin-clutch paddle-shift gearbox **POWER:** 240bhp **MAX SPEED:** 155mph **0-62 IN:** 4.5 secs **PRICE:** £45k

It'll look great once it's been painted

MERCEDES S-CLASS COUPÉ

Benz's answer to Bentley's Conti GT. It used to be called the CL, but now it's simply a pillarless two-door S-Class. At over 5m long, this is a luxo land yacht with V12 turbo power and autonomous driving (yep, actual autopilot).

MOTOR: 4.6-litre bi-turbo V8, nine-speed auto transmission **POWER:** 449bhp, 516lb-ft (est) **MAX SPEED:** 155mph (est) **0-62 IN:** 4.6 secs (est) **PRICE:** From £130k (est)

MOTOR: 2.0-litre Ford EcoBoost turbo, transversely mid-mounted, manual gearbox **POWER:** 285bhp, 310lb-ft **MAX SPEED:** 152mph **0-62 IN:** 3.7 secs **PRICE:** £59k

MOB CITY FOX 17 January

"We're kicking off the new year with a slick new series from Frank '*Walking Dead*' Darabont. Our pals in the US tell us it's proper awesome stuff and, as it's based on real-life accounts from wiseguys, it's on-the-money authentic. Look out for Simon Pegg in episode one!"
NEXT YEAR'S: *Peaky Blinders*

INSIDE NO.9 BBC TWO January

"It's been a long time in the making, but the twisted minds behind *The League Of Gentlemen* and *Psychoville* are finally ready to unleash their latest dark comedy monster. The premise: each week we go inside a different "No. 9" to see what horrors lie behind certain people's doors."
NEXT YEAR'S: *Psychoville*

MR SLOANE Sky Atlantic TBC

"Nick Frost – hot on the, er, heels of *Cuban Fury* – takes the lead in this '60s-set comedy. He plays a bloke coping with middle age, a failed marriage and a rubbish career who sees a chink of light in the form of a job opportunity and a new love interest. Olivia Colman and Peter Serafinowicz star."
NEXT YEAR'S: *Curb Your Enthusiasm*

THE MUSKETEERS BBC One Spring

"We love the Beeb's daft sagas – they're always a bit like *Game Of Thrones* minus all the sex and violence! Now, they've assembled a painfully cool, young cast, led by that bloke from *Skins*. See your favourite sword-swingers experimenting with ketamine and stuff. (Joking, of course.)"
NEXT YEAR'S: *Atlantis*

COMMON BBC One TBC

"Jimmy McGovern might be a depressing so-and-so, but he's a brilliant writer, so we're eager to see this 90-minute one-off. Set in Liverpool and looking at the potential for injustice in the legal system, it follows a man who gives his pals a lift to a pizza shop and ends up charged with murder."
NEXT YEAR'S: *The Accused*

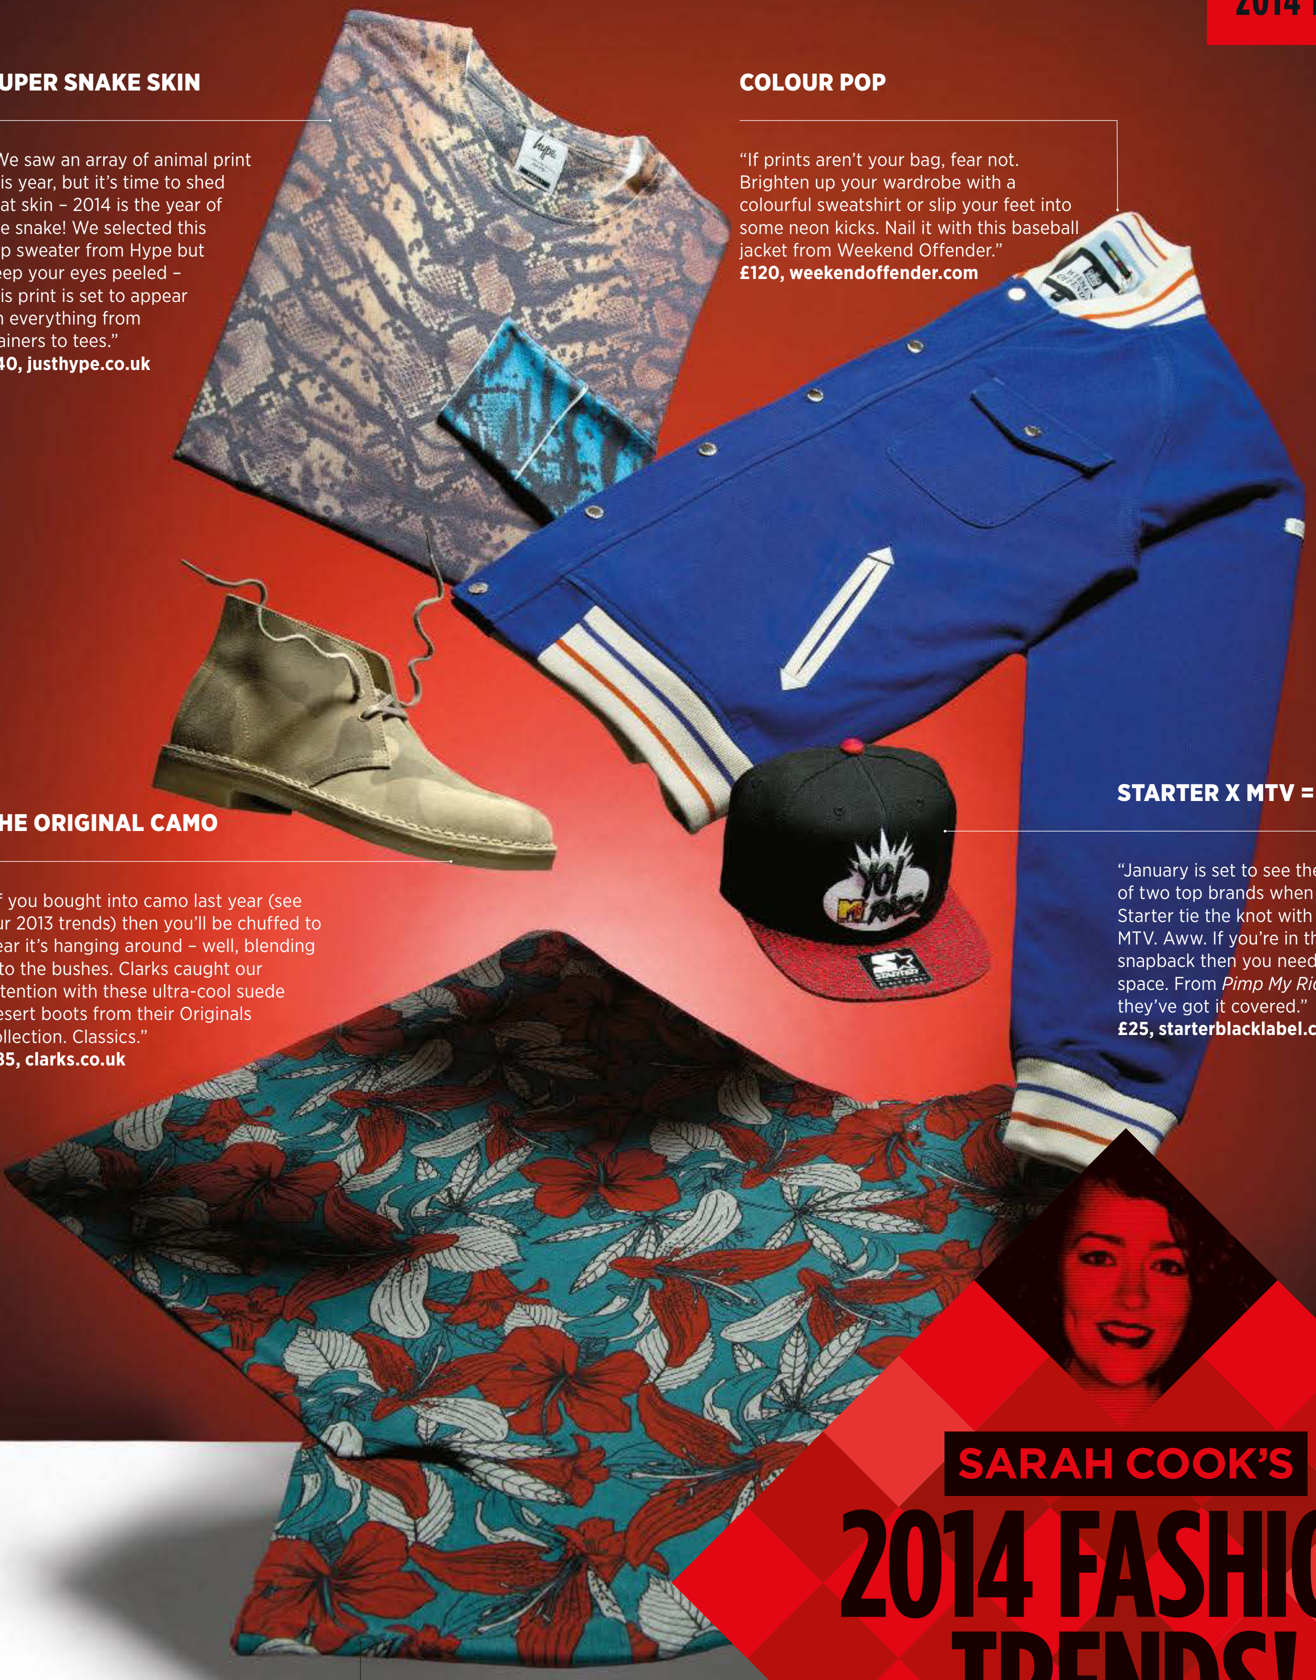
2014 FASHION TRENDS!

Look the part in the latest designer garb and the high street's hottest trends!



SUPER SNAKE SKIN

"We saw an array of animal print this year, but it's time to shed that skin – 2014 is the year of the snake! We selected this top sweater from Hype but keep your eyes peeled – this print is set to appear on everything from trainers to tees."
£40, justhype.co.uk

COLOUR POP

"If prints aren't your bag, fear not. Brighten up your wardrobe with a colourful sweatshirt or slip your feet into some neon kicks. Nail it with this baseball jacket from Weekend Offender."
£120, weekendoffender.com

THE ORIGINAL CAMO

"If you bought into camo last year (see our 2013 trends) then you'll be chuffed to hear it's hanging around – well, blending into the bushes. Clarks caught our attention with these ultra-cool suede desert boots from their Originals collection. Classics."
£85, clarks.co.uk

STARTER X MTV = ACE

"January is set to see the happy marriage of two top brands when heritage label Starter tie the knot with music legends MTV. Aww. If you're in the market for a snapback then you need to watch this space. From *Pimp My Ride* to *Yo! MTV*, they've got it covered."
£25, starterblacklabel.co.uk

TROPICAL TASTE

"This trend is like an upgrade of the bloke's florals and Hawaiians we were loving in 2013. You can expect to see it everywhere, but we picked this basic tee from Burton. They also have some great tropical-print rucksacks. Take note, Um Bongo lovers!"

WORLD CUP CONTENDERS!

The pundit's reasons to get excited about next summer's tournament...

BRAZIL

STRENGTHS: "Boss Phil Scolari knows how to win it and his settled side have won 13 of their last 16 games. Paulinho and Luis Gustavo provide the midfield platform for Oscar, Neymar and Hulk to create mayhem. Easy group stage."
WEAKNESSES: "The pressure will be immense. Keeper Cesar isn't playing for QPR. David Luiz is a mistake waiting to happen. Spain could wait in Round 2!"
STAR PLAYER: "Neymar was sensational in the Confed Cup. Always busy, he has pace, guile and finishing power. He could be the star of the tournament."

FINAL THOUGHTS: "Scolari is 100 per cent certain they'll win it. If Neymar stays fit, they'll reach the final against Messi's Argentina. But they lost to Uruguay as hosts in 1950 and there could be heartache ahead again at the last hurdle."

"Mmm... this is one sticky gobstopper!"

ARGENTINA

STRENGTHS: "Winning the group will mean they should avoid Brazil until the final. They've got a great attacking threat with Messi, Di Maria, Aguero and Higuain. Group games will be close to home in cool climes."
WEAKNESSES: "Erratic keeper Romero can't get a game at Monaco. If Gago gets injured, the midfield will look frail and the defence is suspect."
STAR PLAYER: "Messi needs to show he can perform on the international stage to prove he's the greatest player of all time. Pele will be watching!"

FINAL THOUGHTS: "The Low Countries may be difficult hurdles in the later rounds, but Argentina are ideally suited to go all the way. It will take an extraordinary performance, though, to deny the whole Brazilian nation!"

In between bell ringing, Quasimodo was a more-than-useful midfielder

"Ooh, would you look at the legs on that..."

GERMANY

STRENGTHS: "Joachim Löw has developed a settled squad over eight years. Neuer is solid in goal. Özil spearheads a midfield of flair and variation. They've only once failed to make the last eight!"
WEAKNESSES: "Löw's still not picking Kiessling for goals up front. The defence has conceded too many of late. It's a tough group, played in draining heat."
STAR PLAYER: "Bastian Schweinsteiger. There are players with more flair in the midfield but he holds it all together. He's the soul of the German side."

FINAL THOUGHTS: "They need to avoid defeat in their opener against Portugal. Russia could await them in round two, and possibly France in the quarter-final. Their run will end in the semis against Brazil."

"Hey, Bastian, concentrate! This pass is for you..."

SPAIN

STRENGTHS: "Tournament experience is a massive strength. Xavi and Iniesta are wonderful players in a very strong midfield. Pedro now provides pace. Negredo will get goals. Alba is a strong left-back."
WEAKNESSES: "They wilted in the Confed Cup heat. The Dutch in the opening game are on a revenge mission for 2010. Casillas is well past his sell-by date."
STAR PLAYER: "Iniesta is one of the greatest players in the history of the game. He floats on the ball and his passing cuts defences like a surgeon's blade."

FINAL THOUGHTS: "It's essential they top the group to avoid Brazil in round two. If they do that, they'll run all the way to a quarter-final against Argentina. But the epic glory run will end there."

URUGUAY

STRENGTHS: “Their record scorer Luis Suarez is on fire. He’ll relish playing England. Edinson Cavani – poor at the Confed Cup – rediscovered his form in the play-off win against Jordan. Keeper Muslera can be brilliant on his day.”
WEAKNESSES: “The keeper can also be erratic! I’m quicker than central defender Lugano these days. Eight of the squad last summer were in their 30’s.”
STAR PLAYER: “Suarez is world class. Twenty-two goals in his last 24 games for club and country is an exceptional return. England beware!”

FINAL THOUGHTS: “They’ll win their opener, try to catch England on the counter in their second game and hold Italy for a draw. Big support will take them to the quarter finals.”

ENGLAND

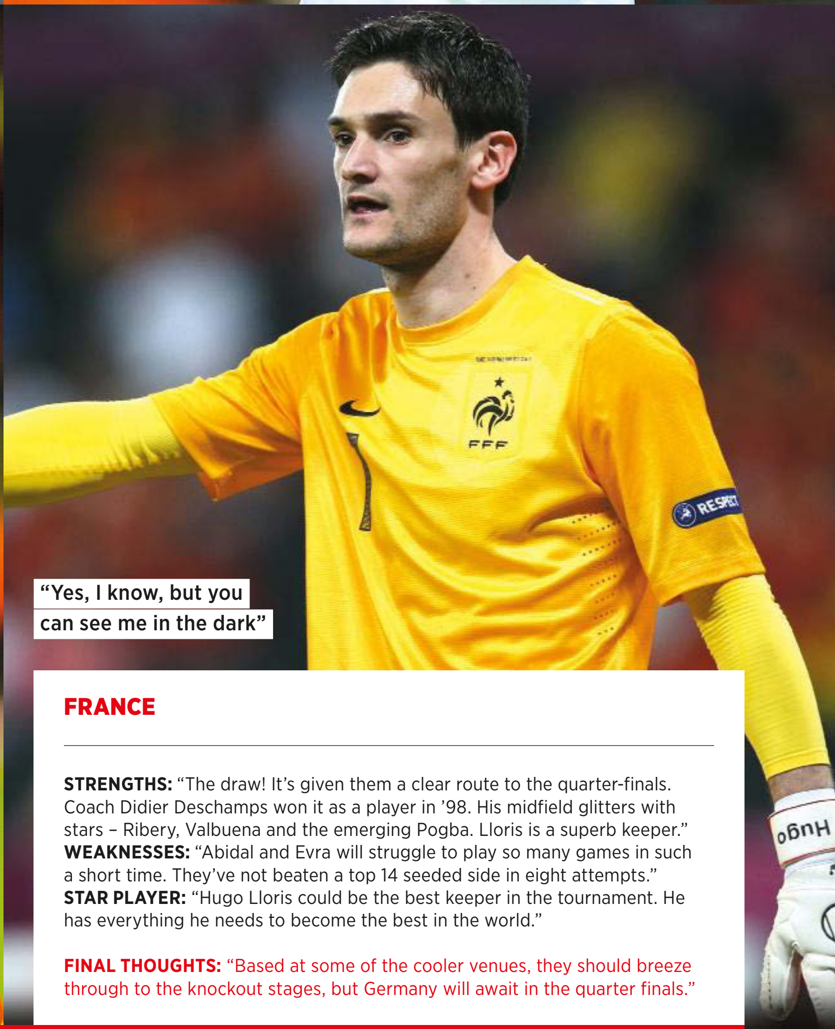
STRENGTHS: “They can outrun Pirlo and co in the opener, take heart from that and go on. They haven’t failed to get out of the group stage since 1958. No one gives them a hope. That’s when they’re at their best.”
WEAKNESSES: “Balotelli will be fired up. Defensive frailties and keeping errors have been starkly exposed. England simply lack enough world-class players.”
STAR PLAYER: “Wayne Rooney. Even the Brazilians are worried about him. More mature now, he’s due a great tournament.”

FINAL THOUGHTS: “Hat-trick hero Hurst pulled out a deadly ‘Group of Geoff’ for England. If they beat Italy they’ll squeak through and could even make the quarter-finals. If they lose the opener, they’ll be home before the postcards.”

“Look at how shiny my studs are”

“Hey, get over here and give me a hug”

He was daydreaming of being a jockey again



“Yes, I know, but you can see me in the dark”

BELGIUM

STRENGTHS: “Vincent Kompany is the outstanding leader of a potentially brilliant young Belgium side packed with Premier League stars. Eden Hazard is the main play-maker. Lukaku or Benteke will get goals. Easy group.”
WEAKNESSES: “Inexperience at this level. The full-backs are converted centre-halves. Vermaelen’s not in the Arsenal side. Carrying huge burden of expectancy.”
STAR PLAYER: “He can’t get a game for Chelsea but De Bruyne was their star in qualifying. He scored four, helping them to their first finals since 2002.”

FINAL THOUGHTS: “They should win their group. Portugal will probably await in round two. They can win that, but won’t get past Argentina in the quarters.”

FRANCE

STRENGTHS: “The draw! It’s given them a clear route to the quarter-finals. Coach Didier Deschamps won it as a player in ’98. His midfield glitters with stars – Ribery, Valbuena and the emerging Pogba. Lloris is a superb keeper.”
WEAKNESSES: “Abidal and Evra will struggle to play so many games in such a short time. They’ve not beaten a top 14 seeded side in eight attempts.”
STAR PLAYER: “Hugo Lloris could be the best keeper in the tournament. He has everything he needs to become the best in the world.”

FINAL THOUGHTS: “Based at some of the cooler venues, they should breeze through to the knockout stages, but Germany will await in the quarter finals.”

HONOURABLE MENTIONS: COLOMBIA “Have Falcao up front but ageing centre-backs. Could spring a surprise.” **NIGERIA** “Stephen Keshi’s bright young African Cup of Nations winners gained experience from a decent show in the Confed Cup.” **PORTUGAL** “If Ronaldo can get beyond Germany, he’ll drive them into the quarter-finals.”

10 RUDE QUESTIONS!

And a real girl to answer them!

Tor

24 North Yorkshire

1 Where's the strangest place you've had sex?
"I think I'd be banned from it if I told you the exact location! Let's just say changing rooms in gyms that have unisex facilities are a good idea. We had some hot, sweaty, sexy fun. Gym sex makes working out more exciting!"

2 What's your trademark move in the bedroom?
"I have a couple that are my ultimate favourites. I have a sexy, round bum and love to get my grind on – especially since I've got a pole in my bedroom! A little strip always goes down well. Also, being a dancer, I'm very flexible. It definitely makes it fun in the bedroom."

3 What really turns you on?
"I think I'm a secret submissive! Anything that's a little fetishistic does it for me! It's so hot, but it's even hotter with sky-high heels!"

4 What's your favourite position?
"I love the power and control of being on top of a guy and feeling him between my thighs. But I'm a big fan of doing it from behind as well – it works every time!"

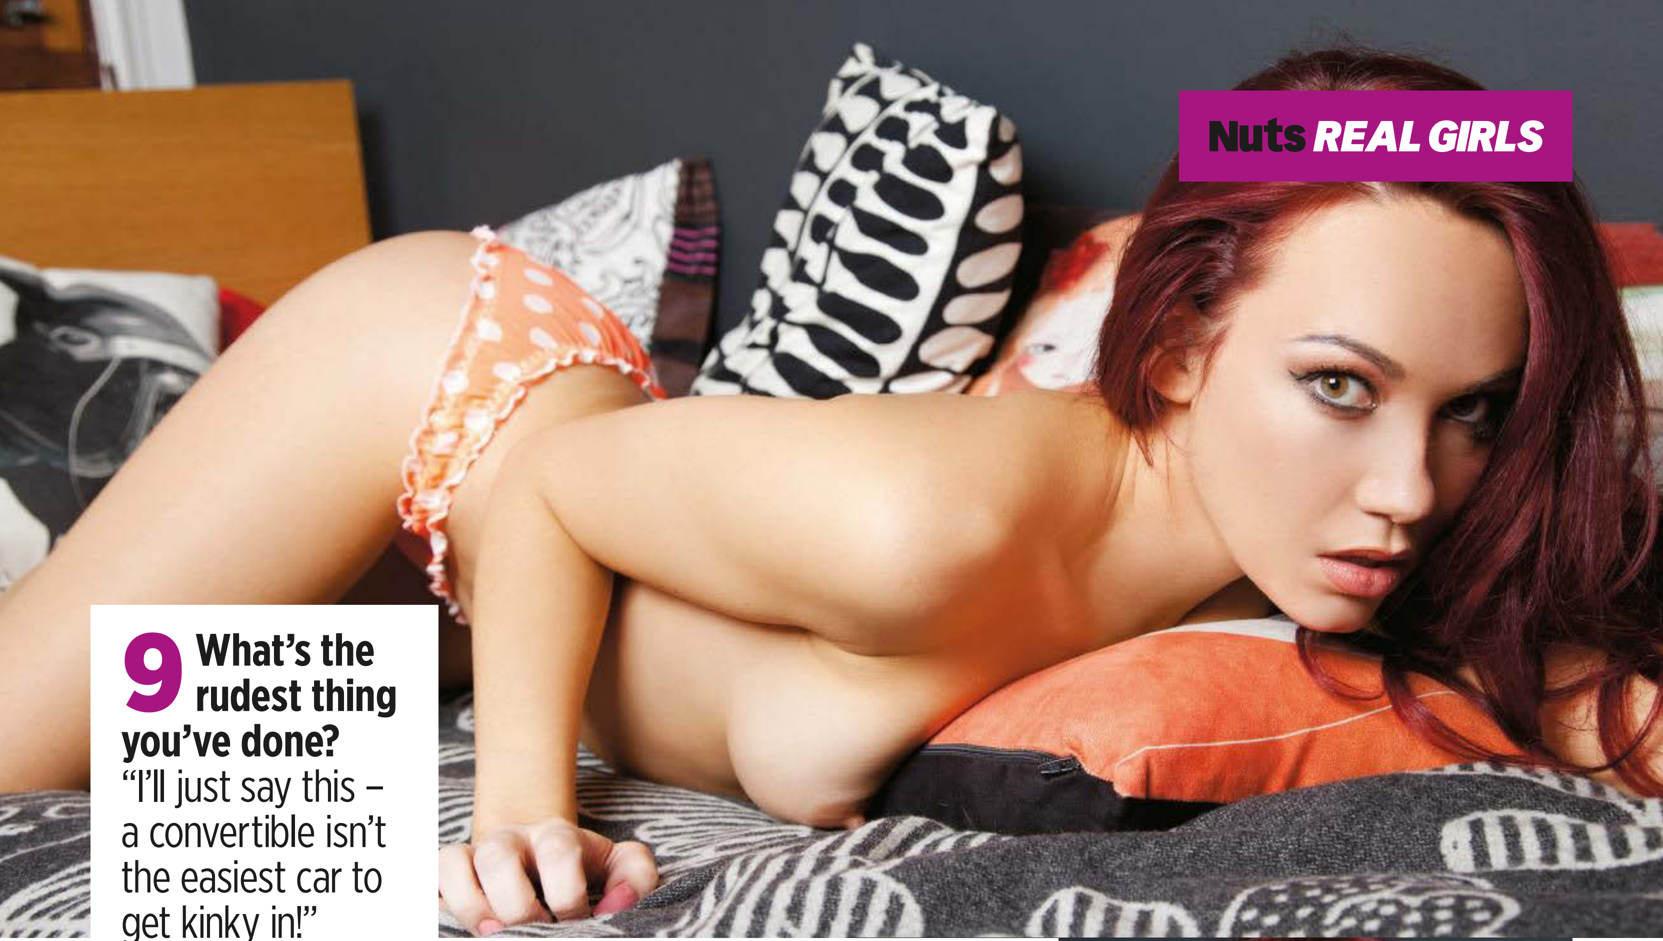
5 Is it better to give or to receive?
"It depends in what context! If it's Victoria's Secret undies then 100 per cent receive! In the bedroom, I like a good split, but there's no denying that when I give, I feel super sexy and powerful."

6 Have you got a saucy New Year's resolution?
"I'm pretty adventurous so there's not much I haven't tried, to be truthful! I would love to go to a fetish party dressed in latex, sexy high heels and be completely anonymous to everyone. That could get exciting!"

7 Ever got it on with another girl?
"Ha! I love it! I may have had a little taster here and there in the past – how do you expect to know if you like it without having a go? I'm definitely straight but I love admiring sexy women. If I ever had the option with Dita Von Teese, I definitely would!"

8 What's your favourite sexy outfit?
"That's so difficult for me as I have a full double wardrobe dedicated to lingerie and sexy little dress-up outfits! I think one of my favourites would have to be my beautiful black-and-fuchsia lace lingerie set from Ann Summers with stockings, suspenders and massive heels. It's skimpy – just how I like it!"

PHOTOS: TOM SARGEANT



9 What's the rudest thing you've done?
"I'll just say this – a convertible isn't the easiest car to get kinky in!"

10 What's the rudest Christmas present you've received?
"I once opened a present that was a huge box full of lingerie from Ann Summers and Victoria's Secret. I was so excited, I spent the rest of the morning trying them all on!"

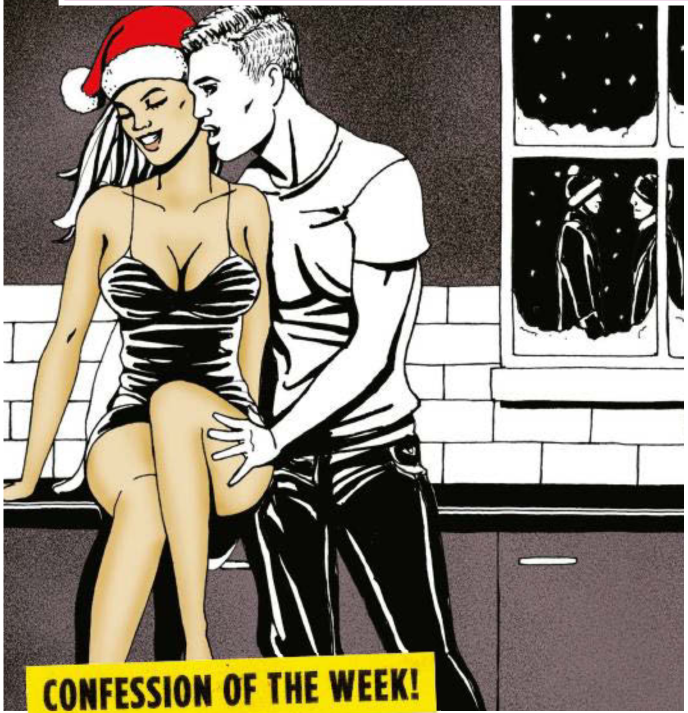
LADIES CONFESS!

TO OUR SECRETARY!

Racy revelations from our female readers!



CONFESSION OF THE WEEK!

‘I welcomed him home’

MY BOYFRIEND works away from home for months at a time so I couldn’t wait to get him back for Christmas. I dressed up in a sexy outfit and heels for his return. When he walked in, his mouth almost hit the floor. He grabbed me, lifted me up on the kitchen worktop and I wrapped my legs around his waist. He kissed my neck and slowly moved down to my nipples, then opened my legs and licked and teased me until I was screaming with pleasure. Then we took things into the bedroom. It was the hottest sex we’d had in ages!

‘It’s raining men’

I WAS at my old work’s Christmas do and the guy I’d always liked was newly single and looking hot. We were giving each other the eye and, after chatting, he confessed he’d always had a thing for me. A bit later, we were dancing and he started kissing me gently. I was getting hot, so I suggested he walk me home. It was pouring with rain and he grabbed my hand as we ran across the road. We began kissing passionately up against a wall. The rain was dripping down my breasts as he moved his lips down to my nipples. I was wearing knee-high socks, so he carried on down. I came with my leg over his shoulder, holding his head in my hands. I’m hoping to see a bit more of him in 2014!

Claire Brighton

‘A thrillseeking ride for two’

ME AND my mates went to the local Christmas fair last week and my friend brought her brother along. We’d flirted on the drive there and I was really hot for him. We ended up next to each other on one of the rides and as we sat down, he gave me a cheeky wink. After the ride, I was in need of even more of an adrenaline rush. As we got off, I grabbed his hand and led him to some gardens. We slipped off the path and started kissing. Leaning into him, I could feel his manhood on my leg and I couldn’t wait to play with him. I dropped to my knees and took his throbbing member in my mouth. We ended up doing it against a tree. It turned out to be the best ride ever!

‘We played car games’

ONE AFTERNOON, my fella and I went to the cinema. We got there early so sat in the car, chilling and listening to music. I was cold, so I snuggled in against his chest, resting my hands in his lap. He turned towards me and we started kissing. The car windows steamed up almost instantly. Rubbing his groin, I unzipped his jeans, then, checking that no one could see, I bent down and took his length in my mouth. It didn’t take him long to lift my skirt up and pull my thong to one side. I sat on top of him and bounced up and down. He got my boobs out and started rubbing them. It was only then I noticed two lads outside, staring in disbelief! I didn’t tell my boyfriend but it made me climax quicker!

The Ashes: where it's gone wrong!

Matthew Hoggard explains why England have messed up Down Under!

IT'S THE question that has got all English cricket fans perplexed: where has it all gone wrong since the summer Ashes victory? Former England bowling ace Matthew Hoggard has a few ideas on the matter...

- The fourth Ashes Test begins on Christmas Day on Sky Sports 2/HD at 10.30pm.

HOGGY VS THE AUSSIES!

Hoggy played in 12 Tests for England against the Aussies. He took 35 wickets.

INTERVIEW: PETE CASHMORE
PHOTOS: ACTION IMAGES, PA PHOTOS

THE LEHMANN FACTOR!

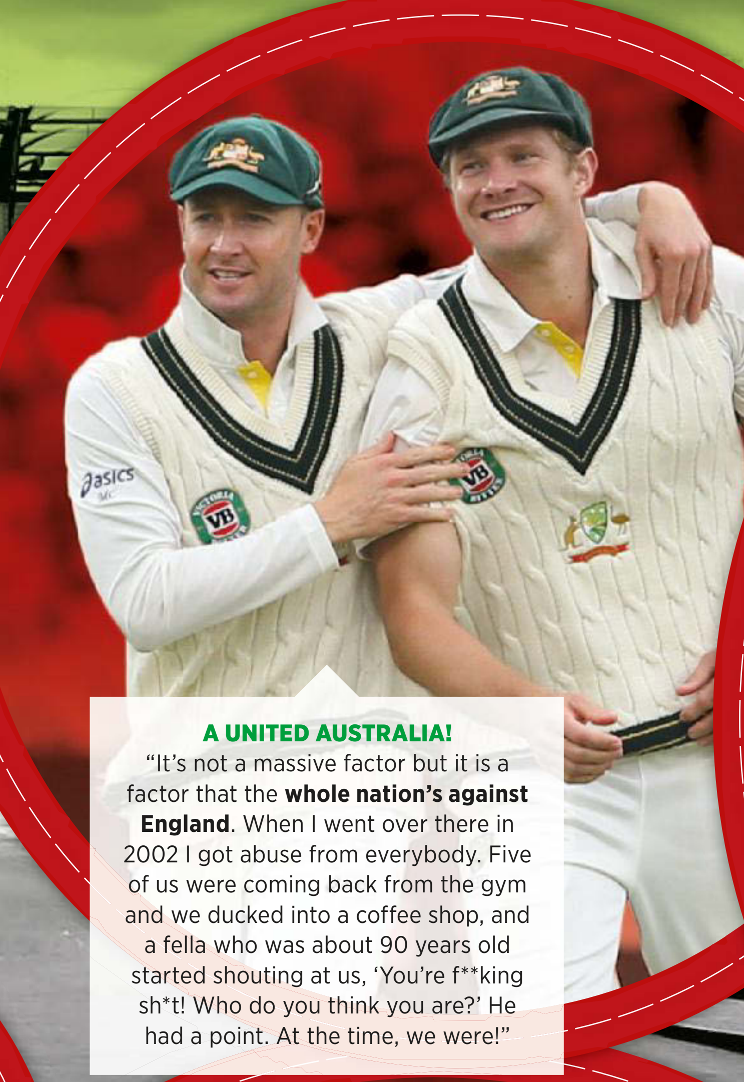
"Australia didn't play very well in England in the summer, but neither did we. That led to a deliberate ploy by team manager **Darren Lehmann** to get under England's skin. They've used the home advantage and the home press. He's got rid of the cliques in the team. He's united the squad. And once they got on the pitch, in addition to talking the talk, they also walk the walk."

COLLECTIVE LACK OF FORM!

"The players who the public look to to perform didn't really do that in the summer. Only Ian Bell stood up to be counted. Star batsmen like Cooky and **KP** didn't fire and they haven't done so in Australia. They're not scoring and if there's nobody firing further down the order, you're in trouble. You need your big-time players to do the business, but collectively, they're out of form."

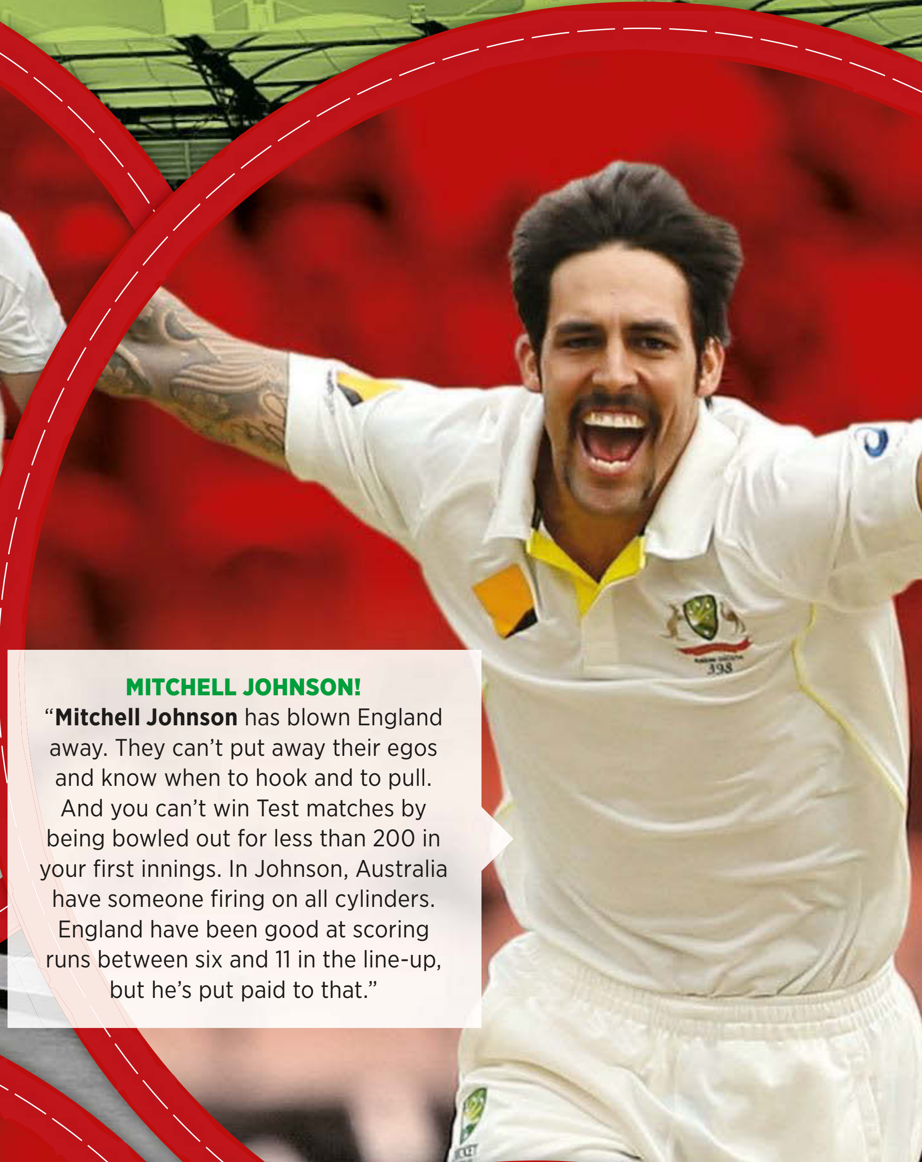
FIRST INNINGS DEFICITS!

"They need to grind out a serviceable first innings score, like **Brad Haddin** did at Adelaide – that's when you'll see what the opposition batsmen are made of, because it's a lot more fun going in with a lead of 400 than it is having to bat for two days. They should occupy the crease and wear the opposition out. Sadly, Jonathan Trott is England's Mr Reliable when it comes to that."



A UNITED AUSTRALIA!

"It's not a massive factor but it is a factor that the **whole nation's against England**. When I went over there in 2002 I got abuse from everybody. Five of us were coming back from the gym and we ducked into a coffee shop, and a fella who was about 90 years old started shouting at us, 'You're f**king sh*t! Who do you think you are?' He had a point. At the time, we were!"



MITCHELL JOHNSON!

"**Mitchell Johnson** has blown England away. They can't put away their egos and know when to hook and to pull. And you can't win Test matches by being bowled out for less than 200 in your first innings. In Johnson, Australia have someone firing on all cylinders. England have been good at scoring runs between six and 11 in the line-up, but he's put paid to that."

CHEAP WICKETS!

"Joe Root has done well and Michael Carberry hasn't done too badly, but there's not a great deal else to be happy about. **Stuart Broad** was out trying to hit for six in the second Test. If you're a seam bowler, you know that you're still feeling a spell three days later, so you should be making their bowlers work for your wicket. Leave them tired for the next game."

Brit Insurance
636
ASHES SERIES 2013/14

LACK OF DEPTH!

"England have an inexperienced squad. If you look at their batting, you have Jonny Bairstow and Gary Ballance, and the latter has never played Test cricket. Bowling-wise, you have Steven Finn, who has struggled ever since he changed from a short run to a long run, **Chris Tremlett** who didn't do much in the first Test, and Boyd Rankin who had never played Test cricket either."

Kammy's 2014 Predictions!

It's time for him to dust off his crystal ball once more!

"Ha! I can see all your bald patches from up here!"

PREMIER LEAGUE CHAMPIONS

ARSENAL

"If Arsene strengthens the defence in January, Arsenal will have a big chance. They don't need a striker as they have Lukas Podolski, Theo Walcott and Alex Oxlade-Chamberlain coming back – Walcott fancies himself as a forward and I agree. Man City have the best squad but need to put their away form right."

He loved revving his imaginary motorbike

TOP PREMIER LEAGUE GOALSCORER

LUIS SUAREZ

"It's impossible to look beyond Luis Suarez. I think he'll continue to haunt English psyches between now and the World Cup. Aguero will push him but Luis' numbers are too big. Imagine if he was playing for Man City! People have to acknowledge he's scoring hatfuls for a team that don't dominate games."

"Hey! Look at me! I'm flapping my hands like a seal!"

CHAMPIONS LEAGUE WINNERS

MANCHESTER UNITED

"I have a sneaking feeling that David Moyes' men might just spring a surprise – what a way it would be for him to answer the stick he's been getting. Their one shining light at the moment is that they've progressed easily in the Champions League without playing their best. So I fancy them as an outside punt."

PHOTOS: ACTION IMAGES

The mysterious blurry arm biter struck again

FA CUP WINNERS

CHELSEA

"A lot of sides are treating this competition with more respect than they have done for a while. So I think this will go to the one-off game specialist, Jose Mourinho. It was the first trophy that he won as Chelsea manager and he needs to be putting silverware in the cabinet again, so he'll take it seriously."

The pre-match group huddle was a bit OTT

SCOTTISH LEAGUE WINNERS

CELTIC

"Yes, it's obvious, but we had Neil Lennon on *Goals On Sunday* recently and pointed out what we all have to acknowledge – it's not their fault that Rangers went into administration, and it's not their fault that the teams they're now up against don't have their spending power. All they can do is keep winning."

"Take this, one of you – it weighs a tonne!"

WORLD CUP WINNERS

BRAZIL

"I have to look at the home team. There's so much quality in that side, home advantage counts for so much and they have the chance to make themselves true heroes in their home country. I'd love for England to do well. Realistically, though, I think they'll reach the quarter-finals, and hopefully avoid Brazil!"

He refused to be put off by the bloke doing the splits

GOLDEN BOOT WINNER

HULK

"This might surprise some, but I've been watching Hulk recently and I've been very impressed with him after seeing him in a couple of dodgy performances early on in his career. He's a physical player but has great technique and he's going to get served up loads of chances by the likes of Neymar."

"Hold on! I've got my finger stuck!"

CHAMPIONSHIP WINNERS

QPR

"This league has got to be one of the most difficult to predict, as all the teams continue to take points off each other. I just think QPR's extra spending power will tell over the season, although I'm not sure how they'll be affected by the financial fair play rules! But I think 'Arry will drag them back to the top flight."

"Quick! Free mince pies that way!"

MANAGER OF THE YEAR

STEVE BRUCE

"When the decision's made to name Manager Of The Season, it's not always managers who've won the trophies who get it, it's managers of clubs who've performed above themselves, and to me that means Steve Bruce at Hull, although Southampton's Mauricio Pochettino should also be in the shake-up."

Aaron Ramsey: ‘Doubters, I will prove you wrong!’

The Arsenal star on title aspirations and horror injuries!

Hi Aaron! We guess the obvious question is: can Arsenal win the title?
Well, we believe we can, and why shouldn’t we? What we’ve done so far has maybe surprised a few people. The last few seasons, we’ve been slow starters and then kicked on after Christmas. Playing catch-up hasn’t helped us in the past, so we’re improving. This season, we’ve started well, so I reckon we can do something special this time around.

Is this the most open Premier League season ever?
There are definitely five or six teams who can win the League this season, which is obviously a novelty. It’s exciting to be right at the heart of the title challenge. Obviously, I’m quite keen that it’s us at the end of the day.

What has changed for Arsenal this season?
We’ve always had a strong group of players. It was about getting better and better as a unit until we reached where we find ourselves now. When you play with the same players for an amount of time you get to learn their styles, their habits and then you behave much more naturally on the pitch. That’s the advantage we have, and so we believe we can win every game.

It sounds like you all really fancy your chances...
No one is taking anything for granted – no way – but I love the fact that we’re in the mix already and are performing as we know we can. We’re a confident group.

The addition of Mesut Özil has been a real positive influence.
He’s one of the best players of his kind in the world. He’s settled in brilliantly and given us extra quality and experience. His talent is there for all to see and he’s also a really good guy. Sometimes it takes a while for new players to find their feet but he’s done amazingly – a lot because of his ability but also his personality. As a team, overall, I think we’re moving forward together really well.

In previous seasons, Arsenal were seen as a bit of a soft touch defensively. How did you remedy that?
We defend as a team and attack as a team now. That’s been the difference.

Are you at the peak of what you can do, or is there more in the locker?
Who knows what can happen? But the club has always wanted to build for the long term and we have a group of young players growing together, improving together. Keeping a young group together, as other clubs have shown in the past, can bring success. But we want to win trophies sooner rather than later.

“Ha-ha! I’ve just given that Norwich player a wedgie!”

What about yourself? You suffered a horrific injury which led many people to think your best days were over. Now you’re an early favourite for Player of the Year!
Phew! I had dark times, let me tell you. For a long period, I found it difficult and had a lot of worries about my future. The medical staff [at Arsenal] told me I’d be fine and would recover well, and although I trusted them, it was still a long road back. It wasn’t just a physical recovery, I needed to recover mentally, too. There were a whole lot of things going on in my head.

What kind of things?
When I came back, I felt the physical impact of being out – my body needed to recover, which is natural. But I needed to feel comfortable in going in for tackles with the right strength, and generally feel at ease with my body with the demands of playing top-flight football. It was difficult and took me a couple of years. Last year, I felt that I was ready to go again.

What’s the emotional impact like of recovering from an injury of that type?
Before I broke my leg, people said I was doing alright and I was getting a lot of praise. After the injury, it turned into criticism. That’s football. Now I can show those who doubted me that I could get back and perform to a decent level. I was

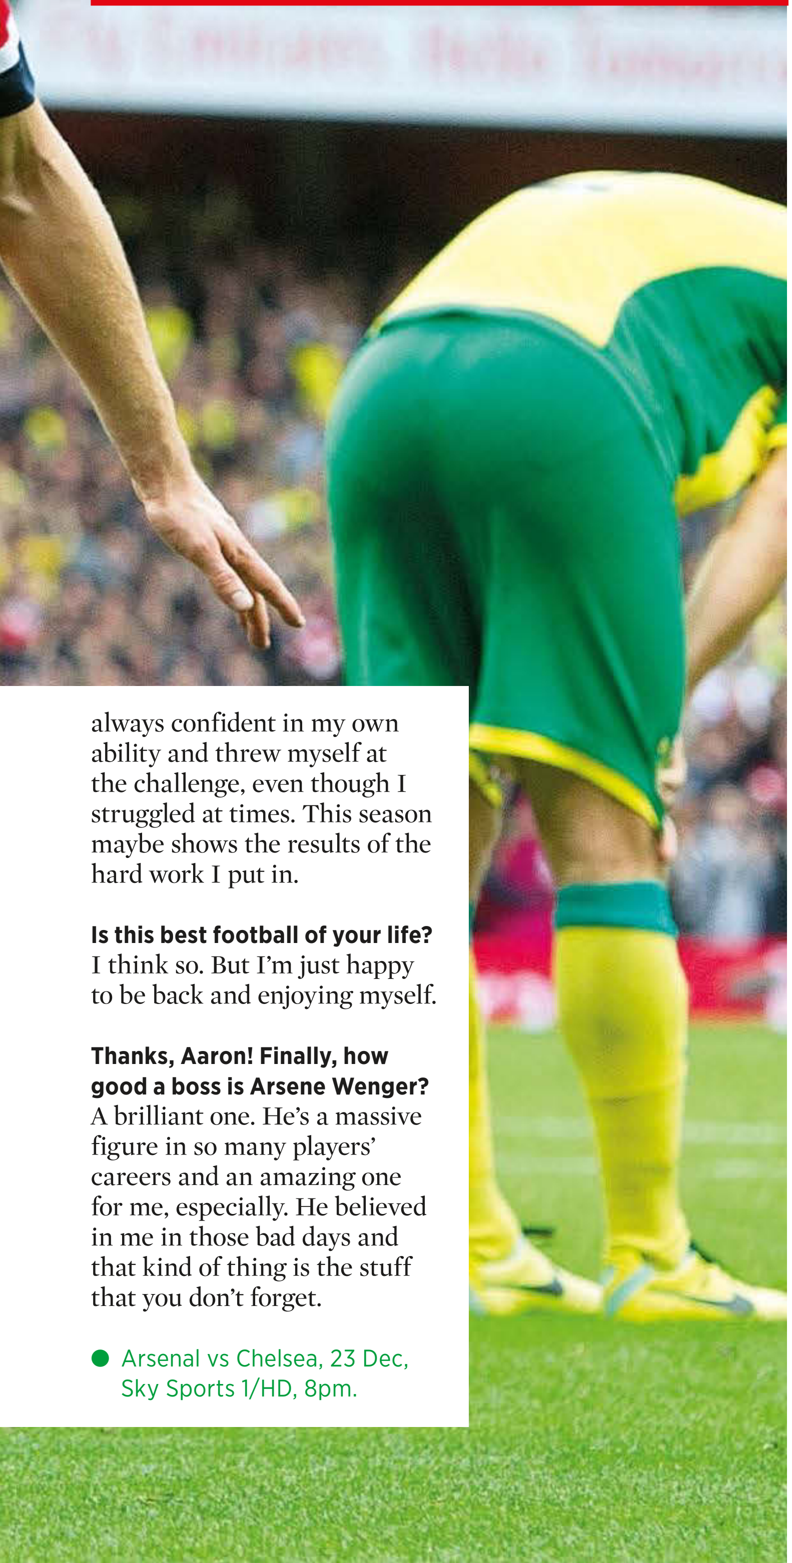
Aaron broke his leg in 2010 in a match against Stoke



always confident in my own ability and threw myself at the challenge, even though I struggled at times. This season maybe shows the results of the hard work I put in.

Is this best football of your life?
I think so. But I'm just happy to be back and enjoying myself.

Thanks, Aaron! Finally, how good a boss is Arsene Wenger?
A brilliant one. He's a massive figure in so many players' careers and an amazing one for me, especially. He believed in me in those bad days and that kind of thing is the stuff that you don't forget.

"There's no need to be like that, I only said your shorts were silly!"

Stuart Hall: 'I know I'm going to be world champ!'

The shiny-headed boxer on his upcoming title shot, reality TV and what he wants for Christmas!

Hi Stuart! Are you looking forward to your world title shot?
Yeah, I'm over the moon about it. The belt is vacant at the moment and it's every boxer's dream to fight for a world title. It'll soon be a reality for me so I literally can't wait for the fight.

What sort of fighter is your opponent, Vusi Malinga?
He's a southpaw whereas I'm an orthodox fighter so the styles are good and he's similar to me in the sense that he always comes forward. He's very tough so I'm not expecting anything else from a world-level fighter. I'm prepared, though. You have to be for the big fights.

He's lost previously – is that a good sign for you?
Yeah, and it's my time. I feel I'm in a good place in boxing from the two losses I've had and I'm going to be the world champion, I know I am. We've managed to get the fight in this country which is in my favour, as fighting in South Africa would have been harder. He's coming to spoil the party though, so it'll be an interesting fight.

Have you done anything different in your preparation than you normally would do?
We've based this training camp on learning from the last two fights. We've been building up the training steadily to get my body ready for the fight. I've put in 50% more mentally and physically for this one. I'm in the best shape ever, so there's no excuses come fight night. I just can't wait to get in there. I've been in the gym for about ten weeks. Generally that's about right. My coach compares it to baking a cake. We've been putting in all the ingredients before it comes out of the oven on fight night

Who do you want to fight after this ideally?
Well after this I'll be the number one in the world so I will literally take on anyone. I lost to Jamie McDonnell so I'd like to avenge that, but I'd love to fight in America. Vegas is the Mecca of boxing.

Would you do *I'm A Celebrity… Get Me Out Of Here!*?
I was thinking that the other day! Yeah, if I win the world title I reckon I'd give it a go. I think I'd be good in there. I'd have a go at all the eating challenges and that, so why not? If I don't do enough to win, I reckon I could make the top three at least.

Are you always in boxing mode or do you have down time?
No, I'm a real family man. I spend a lot of time with my wife and kids. I do like to go on holiday with the lads once a year, though. Me and my wife agreed that would be OK before we got married so there are no arguments there! Generally, when I'm not fighting, I have a week off, have a few drinks and a round of golf and then it's back in the gym. Boxers don't get much time off!

Thanks Stuart! Finally, if you could have anything for Christmas, what would it be?
I can't think of anything other then this world title at the moment! If I had to pick something, maybe Santa will bring me the winning EuroMillions ticket. That would make it a pretty good Christmas. Merry Christmas to all you readers, too!

- Watch Stuart Hall vs Vusi Malinga for the IBF Bantamweight World Title Saturday 21 December on Box Nation. Sky Channel 437. For tickets call 08442481585 or visit ticketmaster.co.uk.
